

**L.D.College of Engineering**  
**Automobile Engineering Department**  
**SSIP Awareness session**

SSIP Awareness session was organized by Automobile Engineering Department on 3/10/2018, 11:00 am to 1:00 pm, at PDV Lab, Mechanical Engineering workshop. More than 75 students of final and Pre-final year were present in the session.

Mr. Atul shah(B.E Rubber Tech.) from Pioneer Industries delivered expert lecture to spread awareness of Start-ups and its importance and Benefits to students. Mr. Atul shah gave key insights on business opportunities in various technical Domains and has also shared his success stories and struggles in start-ups.

Prof. R.J.Jani, Head of Automobile Engineering Department, provided insights on SSIP institute policy to all students and has urged to take maximum benefit under SSIP Scheme.

Prof. R.J.Choube and Prof J.P.Vasani have coordinated the session. Positive feedbacks were received from students and have shown keen interest to apply under SSIP Scheme in upcoming years.
