

BISAG, Gandhinagar Visit Report

Date: 26/02/2019

A visit was organized of Bhaskaracharya Institute for Space Applications and Geoinformatics (BISAG), Gandhinagar for the students of 4th Semester of Information Technology Department. About 33 students accompanied by two staff members Prof. Pradip Patel and Prof. Shital Solanki visited the company on 25/02/2019.

Mr. Jayesh Makwana and Mr. Kamlesh Amin Coordinator from the BISAG assisted the students throughout the visit. They informed the students about working area of the company. They also explained how BISAG is working as state level nodal agency to facilitate the use of spatial and geo-spatial technologies for the planning and developmental activities pertaining to Agriculture, Land and Water Resource Management, Wasteland/Watershed Development, Forestry, Disaster Management, Infrastructure and Education

Then students visited various functional units of BISAG like Gujarat SATCOM Network, Centre for Informatics and Training etc. This visit was very interactive as students/faculty members asked many questions to the company staff about opportunities to carry project work there and procedure for that.
