

Industry Visit

Automobile Engineering Department

A brief Report on Industry Visit

Name of Industry: Sardar Patel Renewable Energy Research Institute (SPRERI)

Address: Vallabh Vidyanagar, Anand, Gujarat

Date: 15/02/2020

Time: 11:00 am Onwards

No of students present: 37

No. of Automobile Department Faculty present: 02

Name of Industry person: Ms. Shradhdha Pandya; Mr. Paresh Mer(099794 29591)

Objective: Student will be able to describe use of alternate energy sources.

Student will be able to describe alternate fuels generation process from non-conventional resources.

Learning Outcome:

Student will be able to describe use of solar and bio renewable energy sources and technologies.

Student will be able to explicate biogas, biodiesel, bioethanol generation process from biomass.

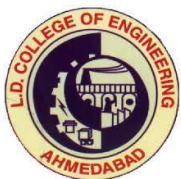

37 Students of 6th semester students from Automobile Engineering Department along with 2 faculty members had visited Sardar Patel Renewable Energy Research Institute (SPRERI) on 15/02/2020. Every year SPERI organized such kind of open house, where different projects related to renewable energy has displayed. During Open House the laboratories and facilities of SPRERI will remain open to all visitors including students, farmers, entrepreneurs, professionals, SHGs, NGOs and other interested in Renewable Energy Technologies and Systems. During visit the scientist and technical personnel of the institute presented and discussed various aspects of the renewable energy technologies. Students got insight of various project displayed related to renewable energy technologies. Visit concluded with refreshments to all student and faculty members.

Industry Visit

Automobile Engineering Department

The visit was specially organized for Pre-Final year students as they study subject Alternate fuels and energy systems. This visit greatly helped students to correlate Information gained during Industrial visit with academic curriculum.
