## Expert Lecture on *Advance Software Testing*

Information Technology Department of L. D. College of Engineering, Ahmedabad organized an expert lecture on “Advance Software Testing” on 07/02/2024 (Wednesday) from 11:00 AM to 1:00 PM at Room no - 1012. The expert lecture was organized for the students of Semester-6 of Information Technology branch. The session was conducted by Mr. Bhavik Vora who is working as an Intelligent Automation Delivery Manager at e-Infochips, Ahmedabad. About 75 students of 6<sup>th</sup> IT Information Technology attended the lecture. Various topics covered in this session were

- Introduction to software testing
- Importance of software testing
- Various software testing techniques
- Real life software testing examples
- Expert’s experience in the field of software testing

The session was very interactive and it motivated the students and encouraged them to develop quality software by applying several software testing techniques.
