Keeping it clean and green! The first Super Sweeper waste collecting machine was deployed at MG India plant in Halol under the MG Sewa program.

We Onecetual Technologies with our team SumanthMudaliar , Shravan Panchal , DhavalMaru and Prof .GN Sutaria from Mechanical Engineering department are happy to announce that we delivered first order of Super Sweeper street cleaning machine at MG Motor India . Machine was handed over to Chief design head of MG Motor India Mr.JayantaDeb.Machine was donated as a part of CSR campaign MG Sewa . Onecetual has bagged initial order of 5 machine in phase 1 and more 20 machine is expected in Phase 2 .
