EC Department

Report on Orientation Program-2015

Orientation program was arranged on 3rd August 2015 for the fresher of 2015 batch in Undergraduate Programme in Electronics and Communication Engineering . Due to the intake of 120 students in the first year, the orientation programme was arranged in two different classrooms. The day started with prayer in each class room. Principal welcomed the students and wished them a happy stay in the campus for four years and a prosperous career. The Head of the department **Prof. Usha Neelakantan** welcomed the parents, guardians and students of first year and addressed them with a motivational speech. She had given a brief profile of the department highlighting its growth in various areas since the inception of the department. She shared her vast experience and advised the students to be dedicated, committed and focused on academics and to showcase their talents in both curricular and extra-curricular activities for having an edge over their peer group for employability and higher education globally. The head of department ended her speech with best wishes during their four years of stay at the institute. The faculty team and supporting staff of EC department were also introduced. Prof Y.D. Vora assured the students for all the support oin the student section during their course of study. The student volunteers gave a brief presentation about institute, department highlighting the infrastructure and laboratories facilities, courses taught, different clubs including common, hostel, and gymkhana amenities. The campus placements, achievements of the faculty and students of the department were also projected. The program was handled by the team of 13 volunteers.

There were about 101 first year students present during the orientation along with their parents and guardians. They were taken on campus tour and were served light refreshments. Parents were thankful for the arrangements made by the institute. They left the department with a sense of happiness, warmth and feeling of safety in the campus.

The department thanks Principal, Prof Y.D.Vora, Prof Preeti Mehta and the team for the meticulous planning done for the orientation Programme and making this memorable event a great success.
