

A Report on NCACSET-2017

Organized by

Computer Engineering Department, L. D. College of Engineering, Ahmedabad-15

held on 6th May' 2017

Computer Engineering Department of L. D. College of Engineering has organized one day “**National Conference on Advances in Computer Science Engineering & Technology - NCACSET-2017**” on 6th May'2017 in association with Computer Society of India, Association of IoT with Cloud (AIWC) & IJSRD - International Journal for Scientific Research and Development.

Dr. D. A. Parikh, Head of Computer Engineering Department, L D Engineering College was Coordinator of this conference and Dr. G. P. Vadodariya, Principal of L D Engineering College was patron of this Conference. Prof. UshaNilkanthan madam, Head of EC Dept, L D Engineering College and Dr. Sameer Patel (Chairman CSI chapter), Assistant professor at PDPU were invited as a special guest in this conference.

More than 60 papers were received from various degree/diploma engineering colleges from different disciplines and industries, out of which 47 papers were selected.

The objective of the Conference was to provide an intellectual forum for exchange of knowledge and information in relation to latest developments in the field of Computer Science Engineering & Technology and to provide a platform for academicians, research scholars, practicing managers and students to develop, contribute and present technical papers in Engineering field. The event helped in bringing together experts from industry and academia to meet, discuss, and share views and experiences on various recent technical topics and challenges of today's world.

Dr .K. G. Maradiya, Head of EC Dept, Government Engineering College, Gandhinagar and Dr Kiran Amin, Principal of U. V. Patel College of Engineering, Ganpat University were invited as a session chair in this conference and gave their valuable inputs to participants and appreciated efforts of the participants in presenting research papers.
