**L.D.C.E.**

**31st July 2017**

### **Cloud Computing Awareness Seminar**

The seminar was held on 31st July 2017, Monday at Aarybhatt Hall. The Seminar was conducted by the WIT Ahmedabad and Hosted by the Innovator Club LDCE.

The seminar was about the Cloud Technology which is the most latest and high-tech technology in the IT field.

#### **AGENDA:**

- **Present state in Technology**
- **Cloud Computing**
- **Salesforce**
- **Demo**
- **Trends in Learning**

For this seminar the main speaker was Miss Mitul Patel and with other speakers Nishi Kushvaha and Anupriya Pandey. They all are in the WIT (Women In Tech) Ahmedabad. Mitul Patel is Leader of WIT Ahmedabad and Consultant at Apttus.

The seminar was successfully conducted in presence of Asst. Prof. Bhavesh Oza Sir who is the mentor of the innovator club (Computer Department).

In the seminar they mainly talked about the what is Cloud Technology? , How it's works, what are the importance of it, How can be explore it as career and How is it currently the most essential and important technology for the all the enterprises.

SalseForce is a Cloud Based US Company which provides various services like Commerce Cloud, App Cloud, IOT Cloud, Service Cloud, Data Cloud, Sales Cloud etc. So the seminar also focused on how SalseForce can be used as a Cloud Service Provider Platform and how students can select SalseForce as Career. They showed us the real time Demo of the SalseForce Platform.

The seminar was conducted from 10:30 am to 11:45 am and at the last there was a quiz in which 5 questions were asked for everyone. Who answered write of that question got the Dairy Milk Celebration.

There were 86 students present in hall. The session was very interactive. There was also good arrangement of Snacks
