

REPORT
On
5 Days “Teacher Training Program” under Microsoft Project OORJA
Organized by
Computer Engineering Department, L. D. College of Engineering, Ahmedabad
from 19/12/2016 to 23/12/2016.

Total 44 participants were registered in this program which include hods, faculties and staff members of various departments and 70% of them were from non IT departments

Mr. Hitesh joshi sir was trainer of the program and he helped us in gaining detailed knowledge about microsoft office. he taught us various Microsoft programs like Microsoft word, excel, powerpoint and outlook in detail with practice test. Now all can use this programs more efficiently. Prof. D.A. Parikh sir has delivered facts of cloud computing. Prof. Tushar Champaneria has delivered knowledge about Internet of things and Prof Jethva sir taught us how to use digital locker. All the sessions were very informative and interesting.
