Woman Development Cell, LDCE

3TH FEB.2017

Sponsored by RUSA

A Women Health Awareness Program “What’s New in Women’s Health” has been successfully organized by Women Development Cell, LDCE on 3/2/2017 at ‘Araybhatt Hall’ LDCE. The Program is supported by RUSHA. Dr. G.P Vadodaria, Principal of L. D. College of Engineering and Dr. Komal. G. Dave, Convener of Woman Development Cell, LDCE have welcomed to renowned personality from medical side Dr Mukesh Bavishi. He is a World Class Gynec Surgeon, a Gynec Cancer Surgeon, Fertility Expert and Cosmetic Surgeon. Prof. Poonam Modi has coordinated the event in her wonder way.

Dr Mukesh Bavishi is a world famous Gynec-Surgeon and Cancer Specialist in Ahmedabad. He has created 4 Word Records in Women's Surgeries. He has invented 4 surgeries which are called 'stitchless' surgeries which have revolutionized the world of surgeries on women, one of these surgeries he has named after his wife and it is called 'Vidula's Operation. He has been invited to many countries including USA to deliver talks and demonstrate his operations. He has trained surgeons of Asia through Satellite INSAT 1C. He has been awarded 5 International and 18 National Awards that include 1.American Medal of Honor, 2.Outstanding Gynec Surgeon (USA) 2003, 3.Sachin Tendulkar of Gynec Surgery, 4.Hall of Fame Award 2001, and 5.Chikitsa Ratna Award. Gandhian Values Award received by Gandhi Ashram in 2016. He was named Gynecologist of the Year by Indian Medical Association 2005 and also awarded with Best Gynec Surgeon of India 2013, 2015 & 2016. He was made an Honorary Kentucky Colonel by the Governor of Kentucky, USA. Recently he won the Rashtriya Karmaveer Puraskar.

He is an author and contributor to Gujarati Vishvakosh and a bestseller book named 'Cancer' in Gujarati. He is the first doctor to be formally trained as Gynec Cancer Surgeon in India. He is a trained Robotic Surgeon. His major contribution in Women's Health has been in 4 areas 1.stitchless surgeries, 2. women's cancers including breast cancer, uterus, ovary and other cancers 3.Fertility expert and 4.Cosmetic surgeries including tummy tuck. He has been doing community service along with his Gynecologist wife, Dr Vidula Bavishi. They do free surgical camps every year for the poor, underprivileged, rural and tribal women of Gujarat and Rajasthan. Last year they completed 25 years of such free surgical camps every year. He delivers inspirational Talks to youth and corporate leaders. He recites Hindi and Urdu poetry of Harivanshrai Bachchan, Ghalib, Gulzar and Javed Akhtar among others. He is going to act in films too – he has been offered a role in a Gujarati film.

Principal LDCE, Dr. G.P. Vadodaria has given initial talk and greeting to Dr. Bavishi with flowers and memento. Dr Mukesh Bavishi has delivered a lively, humorous and meaningful talk on various topic regarding women Health. He has explained causes and treatment steps for common and non common dyesis in women. Girl students and faculties have made live discussion with him on general Gynec problems.

More than 150 members have participated and gain knowledge in this talk along with invited guest Mrs. Vadodaria and others members. The program was ended by refreshments to all participants. Convener of RUSA Prof. N. K. Shina and member of WDC Prof. Pinky Brambhatt, Prof. Z.B. Parekh, Miss Tejal Brevadiya and enthusiasm members of NSS Kunj Patel, Shivangi Patel, Ravi Patel and Alfaz Mankad made all efforts to make this event informative and successful.
