

Orientation Program of IC Engg. -2018

Orientation program was arranged on 19th July, 2018 for the welcoming the batch of 2018 in Undergraduate Program in Department of Instrumentation and Control Engineering. The orientation program was arranged in I.C. department seminar hall(Horowitz seminar hall). The day started with prayer in seminar hall. All the Faculty members and HOD sir were invited on the stage for lightning the lamp along with one of the student's parents. Our respected principal, Dr. G.P. Vadodaria welcomed the students and shared his words of wisdom wishing them luck and a prosperous career through video message. The Head of the department Prof(Dr.) Manish Thakker welcomed the students and their parents, addressing them with a motivational speech. He had given a brief profile of the department highlighting its growth in various areas since the inception of the department. He shared his vast experience and advised the students to be dedicated, committed and focused on academics and to showcase their talents in both curricular and extra-curricular activities for having an edge over their peer group for employability and higher education globally. The head of department shared his views regarding the overall development of the students and prompted them to have a motive in their life guiding them to their path of success.Prof R.C.Patel elaborated the Training and Placement scenario of the college since the last few years and also assessed them to acquire practical knowledge during their four years.Prof U.V. Shah had given students the essential knowledge regarding their induction program and other academics and showed them right path to achieve the goal of their life.Simultaneously, the faculties and supporting staff of IC department were also introduced. Faculty members assured the students for all the support during their course of study. The student coordinators, Khyati Tandon (7thsem), Chandan Lunia (5thsem) and Khushboo Kapoor (5thsem) briefed the fresh faces about the college and the respective department from the presentation about institute, department highlighting the infrastructure and laboratories facilities, courses taught, different clubs including common, hostel, and gymkhana amenities. The campus placements, achievements of the faculty and students of the department were also projected. The program was handled by the team of 5 members.There were about 56 first year students present during the orientation along with their parents and guardians. They were taken on campus tour and were served light

refreshments. Parents were thankful for the arrangements made by the institute. They left the department with a sense of happiness, warmth and feeling of safety in the campus.

The department thanks Principal sir, Prof. Deepak Tarachandani, Prof. Preeti Mehta and the team for the meticulous planning done for the orientation Programme and making this memorable event a great success.
