The orientation programme, 2018 for the freshers of the computer department began with the welcome speech of Ms. Amita Shah, Assistant Professor and 1st year coordinator of the department. Then the prayer marked the beginning of the orientation. The Chief Guest of the event was Mr. Deep Patel, COO at Zybra Private Limited, Curator at Ahmedabad Global Shapers and founder and director at Interestship. All the faculties along with the honourable HOD, Prof. Dr. D.A.Parikh were present. To make the programme interesting for the students some acts were also presented by the seniors in the midst of the orientation. Our Principal's message for the newcomers was conveyed through a video. Then the central presentation started in which every detail regarding the college was given from the history of the college till the present status of it. The representatives of clubs like Robocon, NSS and NCC came to represent their clubs. In the speech given by our HOD all the things related to the department was covered. Prof. Zishan Noorani has explained Induction Program in brief to the 1<sup>st</sup> year students. Also, we're lucky that Principal sir himself could take out his precious time and attend our orientation for a few minutes. After it students were given a virtual tour of the department was shown to them which was prepared by 4<sup>th</sup> year student of the department: Roshan Rawal. Then the remaining information like the achievements of the students of the department, activities organised, etc were provided to the students by the hosts through the departmental ppt. After the end of the departmental ppt an act was presented by one of the group member which freshened up everyone's mind. A parody was also sung by 3<sup>rd</sup> sem student. At last, vote of thanks was given by Ms. Reshma Dayma. The orientation programme ended with a group photo of all the team members along with the faculty and student coordinators and after it the students were taken on the campus tour by the volunteers.
