

# TARANG 2018

With the end of first chapter of the book of 'TARANG': The Space and Science Fest, the quest to reach the summit took its halt with the endless memories and benchmarks set up. With the participation of almost 2000 students and 5000 visitors, this fest earned its worth for the unique events or Sky Gazing, GSSO simulation, 7 unique kinds of workshops and many more exciting events. Around 40 schools and more than 50 colleges participated in the two days fest "**TARANG-Space and Science Fest 2018**" during **23-24<sup>th</sup> March, 2018**. There were around 200 school students and 35 campus ambassadors. The inaugural ceremony was enlightened by the invited chief guest, **Dr. Bhushit Vaishnav, Dean of Academic Services, PRL** and Guest of honour, **Dr. Kamalendra Sarbhai, Dy. Director General (E), Doordarshan Kendra, Ahmedabad**.

The event was successfully coordinated by Prof. Kinjal Sheth (Asst. Professor- EC)-fest Co ordinator and Prof. Vaishali Adhwaryu (Asst. Professor- General)-Co coordinator under the guidance of Dr. G. P. Vadodaria (Principal of LDCE) -Patron, Prof. Usha Neelakanthan (HOD of EC Department)- Fest Convener. With Vatsal Kariya (2nd Year-EC student)-Fest-organizer around 7 core coordinators, 30 event managers and 89 volunteers from 1<sup>st</sup> and 2<sup>nd</sup> years L D students have worked together for 2 days to achieve the milestone.

With a complete package of 35 events including 7 workshops in 2 days, TARANG flaunted its colours across the local media. There were 10 other invited guests as well as 11 scientists and 9 PhD students of student chapter from PRL to guide the squad of the enthusiastic learners in the form of participants.

Inauguration

Global Space Summit (GSSO)

Phyctionary event

Science Fair

Night Observation

Workshop on Career Guidance

Valedictory

**We believe Science is a way of thinking  
Much more than it is a body of knowledge**
