About the KAIZEN-2K19

KAIZEN "Continuous improvement" started by L. D. College of Engineering from year 2015. Since then every year all the projects of final year U.G. and P.G. are showcase and judged by the eminent experts from the industries and R&D organizations. By the panel of the judges the best three are awarded by cash prize. The Open House which will showcase the final year industry and user defined projects of B.E and M.E students on 11th and 12th April 2019. Open House event will be from 10:30 am to 5:00 pm on day one and 10:30 am to 1:30 pm on day two, during which the projects will be displayed and a jury of renowned industrialists and academicians will judge them, so that they might be further taken up for patents and also to prototype in near future. Above all, top three projects from all the branches will be funded in order to reach market. It will be our pleasure to welcome your students and faculties to visit the Open House so that they can interact with our students and faculties which will be mutually beneficial. With the ever growing demands of industry and a new impetus on Start-ups this event, with a remarkable number of **571** projects primed by **1800** students, looks forward to open new vistas of opportunities and encouragement for the students. Student Startup and Innovation Policy (SSIP) Projects of students of various colleges across the state of Gujarat will also be exhibited during the event.
