

ORIENTATION FOR BATCH 2019-2023

Organized by:

Department of Instrumentation & Control Engineering

L.D. College of Engineering, Ahmedabad 15

ORIENTATION FOR BATCH 2019-2022

Orientation program was arranged on Thursday, 18th July, 2019 to welcome the new batch of 2019 in Undergraduate Program in Department of Instrumentation and Control Engineering. The orientation program was arranged in I.C. department seminar hall. The day started with prayer in seminar hall. Respected principal sir Dr. G.P.Vadodaria, HOD Dr.Manish Thakker and chief guest Mr.Mitin Patel (Founder and Director, Prima Automation, LD IC Alumini) with Prof. U.V.Shah, Prof. V.P.Patel and Prof. R.C.Patel were invited on the stage for lightning the lamp along with one of the student's parent. Going towards Greener Environment respected principal sir Dr. G.P.Vadodaria and chief guest Mr.Mitin Patel were felicitated with sapling by HOD Dr. Manish Thakker and they also planted one tree in the department garden along with all staff members of I.C. Department to make the day more memorable. A **MOU** was signed by principal and HOD with **Mr. Mitin Patel-Prima Automation** as developing steps of student progress and better future.

A new activity of preparing Newsletter of own department was started with this auspicious day. In presence of all respected department faculty, students and parents, **NEWSLETTER 1.0** was launched by respected HOD Dr. Manish Thakker along with Chief guest Mr. Mitin Patel and respected professor of I.C. Department. Also from this year, student chapter under ISA banner will be started by I.C. department and it was introduced by 3rd year student Mayank Patel with its benefits and activities that department going to organized under ISA banner.

It is pleasant moment for IC department that our respected principal sir, Dr.G.P.Vadodaria was present in the function inspite of his busy schedule. He welcomed the students and shared his words of wisdom wishing them luck and a golden career through his speech.

Chief Guest Mr.Mitin Patel guided the students by sharing his memories of college days and his work experience. He shared about instrumentation perspective as well as important of friendship during 4 years of college life. He shared his own experience that after graduation how he established 1000 cr business and its development. He also encouraged the student to take benefits of ISA membership and for it he offered his extended support for needy students of I.C. department.

The HOD Dr.Manish Thakker welcomed the students and their parents, addressing them with a motivational speech, highlighting their growth in various areas since the inception of the field. He shared his vast experience and advised the students to be dedicated, committed and focused on academics and to showcase their talents in both curricular and extra-curricular activities for having an edge over their peer group for employability and higher education globally. He also introduced students regarding SSIP Cell going on in LDCE under government scheme of funding for new startup for student development towards real life problem and its solution. He also shared his views regarding the overall development of the students and prompted them to have a motive in their life guiding them to their path of success.

Prof.V.P.Patel elaborated the Training and Placement scenario of the I.C. Department as well as LDCE since the last few years and also assessed them to acquire practical knowledge during their 4 years of academic carrier. He motivate the student to keep their academic record best from their 1st semester onwards and he ensure the student for the best package job as per his experience as head of TPO of the college since last 5 years and more.

Prof U.V. Shah had given students the essential knowledge regarding their induction program and other academics and showed them right path to achieve the goal of their life. He explained the student that how to achieve goal of their life through the path they have by hard work by selecting proper direction of study and overall development.

Simultaneously, the faculties and supporting staff of IC department were also introduced by student anchor Janvi, Jinay and Shaifali (student of 5th sem). Also they briefed the fresh faces about the college and the respective department highlighting the infrastructure and laboratories facilities, courses taught, different clubs including common, hostel, and gymkhana amenities. The campus placements, achievements of the faculty and students of the department were also projected. Nihar Dhokai (7th sem) shared his own experience of past 3 years as student of IC department and encourage the new student of department.

The program ended with vote of thanks by Prof.R.C.Patel. The program was handled by the team of 2 faculty co-coordinator and 8 student members along with student volunteers. There were about 58 first year students present during the orientation along with their parents and guardians. They were taken on campus tour and were served light refreshments. Parents were thankful for the arrangements made by the institute. They left the department with a sense of happiness, warmth and feeling of safety in the campus. The department thanks Principal Sir,

Prof. Deepak Tarachandani, Prof. Preeti Mehta and the vox populi club student team for the meticulous planning done for the ORIENTATION 2019 and making this memorable event a great success.
