SVP SARDAR VALLABHBHAI PATEL INSTITUTE OF MEDICAL SCIENCES & RESEARCH (SVPIMSR) MANAGED BY L.A.M.C. MEDICAL EDUCATION TRUST

To, Redo, SDP - 1 HUB, Knowledge Consortium of Gujarat, Ahmedabad.

Date: 15.08.2020

It is immense pleasure to let you know that your product, using Hologram technology could deliver such experience which we always had in our wish. It was mesmerizing to have the result as delivered the hologram of Hon'ble Chief Minister Shri. Vrajlal Ruparel keeping the crucial pandemic situation in mind to motivate and keep up the morale of students as well as the doctors and the staff here in. It's commendable to see the kind of technology been useful in the crucial times and of course the team efforts.

I can sense the technology has bright future in medical education and research. I wish to see Redo flourishing more with hologram technology to deliver such impactful experience in coming times.

I wish you all the best for the same.

Regards,
