INTERNATIONAL RUBBER CONFERENCE & EXPO

SUSTAINABLE TECHNOLOGY,
INNOVATION AND MOBILITY

Sheraton Grand Bengaluru Whitefield Hotel & Convention Center

Dear all,

We are extremely happy to inform you that Indian Rubber Institute (IRI) will be organising IRCO recognised **IRC2022 & Expo** on **24th - 26th November 2022 at Sheraton Grand Bengaluru Whitefield Hotel & Convention Center, Bengaluru, India.**

As you are all aware IRI had started the preparation well in advance to host IRC2020 to make it a memorable one. Unfortunately, due to Pandemic Covid-19, we were forced to postpone IRC2020 from 14th-16th October 2020 to 15th-17th April 2021 on the hope that the situation will improve. But the Covid-19 situation in India and other parts of the world is still worse and hence it is difficult to host the event in April 2021 as scheduled. As such IRCO decided to cancel the event.

Subsequently, after withdrawal of Brazil for conducting IRC-2022, the IRCO Committee decided to allot IRC-2022 to India. The Organizing Committee of IRC-2020 happily agreed and accepted to host IRC-2022 in India.

While we are painfully conscious that this repeated change may cause a lot of inconvenience to you and your organisation, the IRC2020 organising committee is also passing through a very difficult situation and is incurring heavy losses due to repeated postponement of the event. Hope you and your organisation will understand the situation and bear with us and support us to make IRC2022 a great success.

We wish to submit that your cooperation and support will help IRI to fulfil the long-awaited dream of establishing Dr. D Banerjee Centre of Excellence (DBCOE) for Rubber Technology, Education, Training, Testing, Research and Skill Development at JSS Science and Technology University Campus, Mysuru, Karnataka, India.

Dr. R Mukhopadhyay
Chairman-IRI

V.K. Misra
Vice Chairman, IRI

P.K. Mohamed
Chief Convener – IRC2022

CONFERENCE FOCUS

- Rubber Materials
- Reinforcement and compounding ingredients
- Processing technology and innovation
- Innovation in rubber products and design
- Thermoplastic elastomers
- Miscellaneous (energy, environment etc)
- India specific topics like New Technologies and Markets
- Smart, Nano and Functional materials.
- Advances in the testing and testing equipment.
- Sustainability & Circular Economy

EXHIBITION FOCUS

- Nano, Smart & Innovative materials
- Equipment for
 - Laboratory
 - Tyre Testing & evaluation
 - Material Characterization
 - Microscopy, Failure analysis & Reverse engineering
 - Advanced rubber processing
- Automation related to rubber industries
- Tyre simulation & modeling
- Miscellaneous items interesting to rubber & allied industries
- Books and periodicals

CONFERENCE FEE

IRC
2022

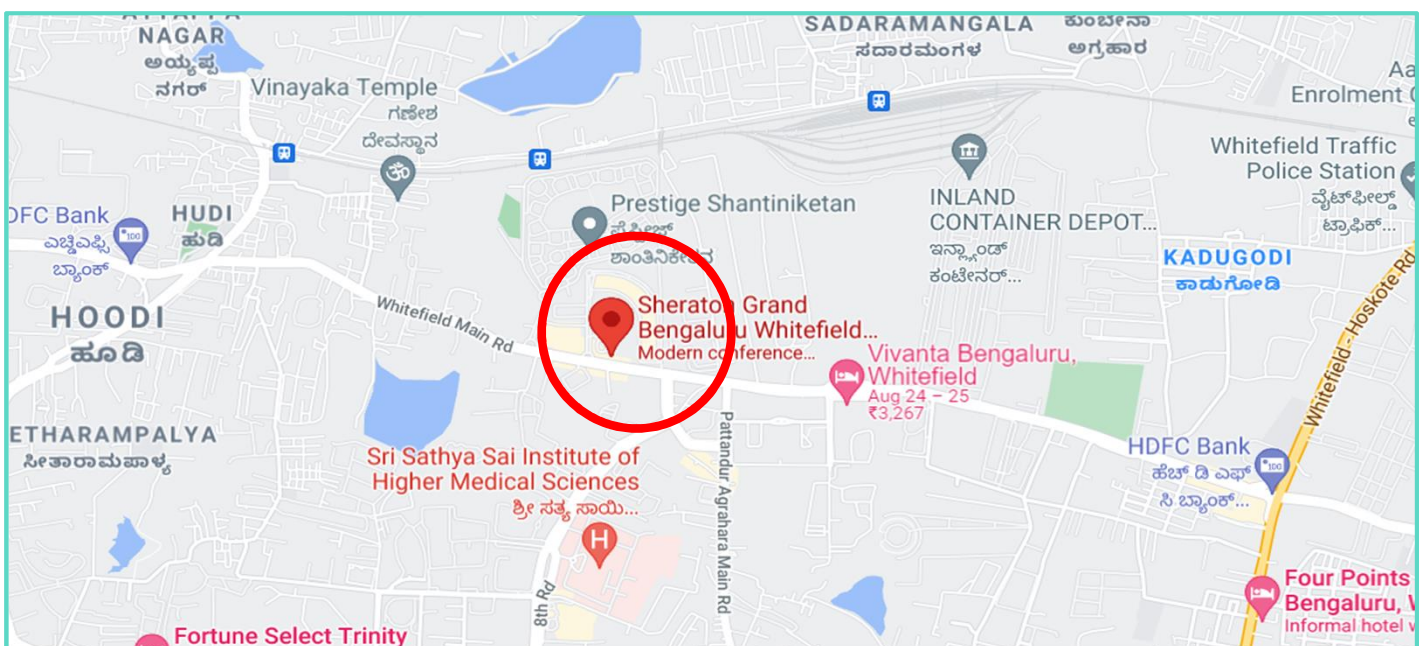

Sl. No.	Particulars	Conference Fee
1	Non-IRI Members	Rs. 15000/- (GST Extra as applicable)
2	IRI Members (Membership No. mandatory)	Rs. 8000/- (GST Extra as applicable)
3	IRI Student Members (Branch to verify)	Rs. 4000/- (GST Extra as applicable)
4	Foreign Delegates	US\$ 600 (GST/IGST Included)
5	Delegates from Srilanka, Malaysia, Thailand, Vietnam and Myanmar, Afghanistan, Pakistan and Bangladesh	US\$ 300 (GST/IGST Included)

SPONSORSHIP FEE

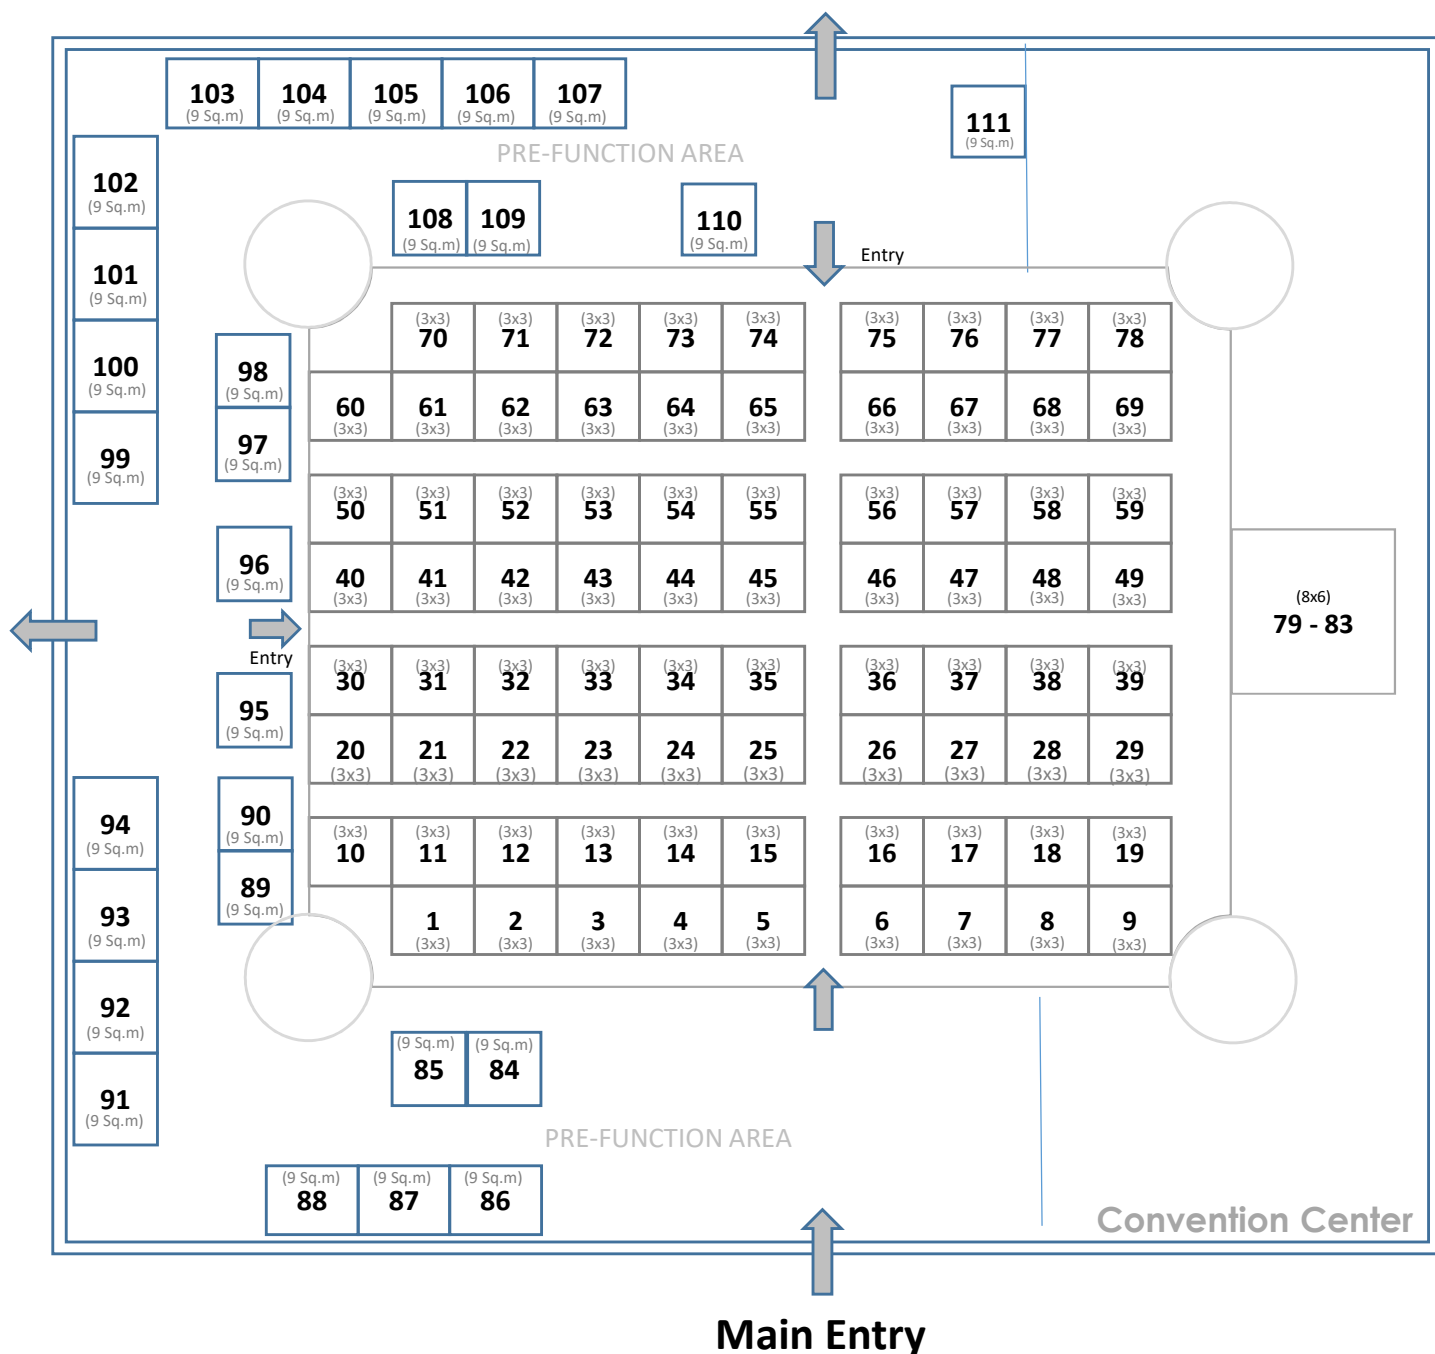

Sl. No.	Sponsorship	Tariff Excluding GST for domestic Sponsors	Benefits
1	Patron	Rs. 75,00,000 US\$ 100,000	Display of Logo and Company Name on stage, one page color advertisement on prime location of conference souvenir, displays and audio visual during the first day dinner and free registration of 15 delegates
2	Main Sponsor	Rs.50,00,000 US\$ 80,000	Display of Logo and Company Name on stage, one page color advertisement on prime location of conference souvenir, displays and audio visual during the first day dinner and free registration of 10 delegates
3	Platinum Sponsor	Rs.25,00,000 US\$ 40,000	Display of Logo and Company Name on stage, one page color advertisement on prime location of conference souvenir, displays and audio visual during the first day dinner and free registration of 8 delegates
4	Diamond Sponsor	Rs.10,00,000 US\$ 20,000	Display of Logo and Company Name on stage, one page color advertisement on prime page of conference souvenir and free registration of 6 delegates
5	Gold Sponsor	Rs.5,00,000 US\$ 10,000	Display of Logo and Company Name on stage, one page color advertisement on prime page of conference souvenir and free registration of 4 delegates
6	Silver Sponsor	Rs.2,50,000 US\$ 5,000	Display of Logo and Company Name on stage, one page color advertisement on prime page of conference souvenir and free registration of 3 delegates
7	Bronze Sponsor	Rs.,1,00,000 US\$ 2,000	Display of Logo and Company Name on stage, half page color advertisement in Souvenir and free registration of 2 delegates
8	Supporter	Rs. 50,000/- US\$ 1000	Display of Logo and Company Name on stage, half page B/W advertisement in Souvenir and free registration of 1 delegate.

Note: Besides above, sponsorship for Kit Bag, Lunch/Dinner/Tea & Coffee are also available. Souvenir inset is available at a cost of Rs.1,00,000/- for one page color advertisement and Rs.50,000/- for one page black & white advertisement.

EXPOSITION TARIFF
(9 Sq.mtr)

With Shell : Rs. 18000/- + GST/(US \$ 350) per sq. mtr
Without Shell : Rs. 15000/- + GST/(US \$ 300) per sq. mtr

International Rubber Conference Organisation (IRCO)

The International Rubber Conference Organisation (IRCO) is an association of rubber societies around the world which plan the calendar for the main international rubber conferences. By careful selection of conference proposals and monitoring of events, the IRCO ensures that all conferences run by its member societies meet the very demanding requirements dictated by the IRCO and thus provide delegates with first-class conferences.

Indian Rubber Institute (IRI)

Indian Rubber Institute (IRI) is a professional body of Technologists, Engineers, Scientists, Academicians and Professionals associated with Indian Rubber industry. It was registered on 25th May 1987 under West Bengal Societies Act XXVI of 1961, and is the successor in India of Plastics and Rubber Institute (PRI), London, U.K. IRI is a non-profit organization engaged in the development of diverse areas of technological education, training and skill development in Rubber sector. IRI offers Diploma (DIRI) and Post Graduate Diploma (PGD-IRI) in Rubber Technology. Affiliated with American Chemical Society (ACS)-Rubber Division, Member of International Rubber Conference Organization (IRCO) UK and Training Provider of Rubber, Chemical, Petro Chemical Skill Development Council (RCPSDC), under National Skill Development Corporation, Govt. of India.

Steering committee of IRC2022:

Dr. R Mukhopadhyay
Chairman, IRI

V.K. Misra
Vice Chairman,
IRI

Mehul Patel
ACS Area Director,
IRI

P.K. Mohamed
Chief Convenor
IRC2022

K.J. Janakar
Conference Convenor
IRC2022

Dr. S Bandyopadhyay
Convenor Technical
IRC2022

Dr. D Banerjee Centre of Excellence (DBCOE)

For Polymer Science & Rubber Technology – Mysore, Karnataka, India

Indian Rubber Institute to enhance its activities in the field of Polymer Science & Rubber Technology is setting up a Center of Excellence in the premises of JSS Science and Technology University, Mysore, Karnataka, India, for providing education, training, research, testing and skill development to the people in organised and unorganised sector specially in micro, small and medium sector rubber manufacturing units. This centre is also planning to provide support in the areas of new technology development, product design, simulation & modeling, project planning, testing & evaluation and reconstruction of compounding formulation and its development.

The construction of 32000 square feet building already completed. This centre will have an auditorium having seating capacity of 225 people, training hall, full-fledged library cum documentation centre, different laboratories for rubber processing, chemical, physical, dynamic, aged & fatigue testing of rubber compounds including failure analysis & reverse engineering of rubber products. These facilities also will be utilised for on the job training and skill development.

WHO SHOULD ATTEND THIS PROGRAMME

All the people working / studying in the field of:

- Rubber and Allied Industries
- R&D Organizations
- Technical Executives
- Quality Control Executives
- Educational Institutions
- Testing Laboratories
- Product Testing Centers
- Raw Material Manufacturers
- Automobile Industries
- Polymer/ Rubber/ Chemicals Industries
- Students / Research scholars

PRE CONFERENCE WORKSHOP

- Tyre Technology
- Mixing Technology
- Automotive Rubber Components & Specialty Rubbers

Dates:

22nd & 23rd November 2022

Venue:

Sheraton Grand Bengaluru Whitefield
Hotel & Convention Center, Bengaluru

IMPORTANT DATES

Submission of Abstracts & CV : **30th June 2022**

Submission of full Paper / Presentation: **31st July 2022**

Contact Person: Dr. S Bandyopadhyay, Convenor Technical
