

Report on Kaizen – 2022
Computer Engineering Department
L D College of Engineering, Ahmedabad-380015
21st April, 2022

The banner features a yellow background with a repeating 'KAIZEN' watermark. At the top left are the L.D. College of Engineering logo and a 'YEARS OF LDCE' logo. At the top right are the 'TE' logo and a 'ESTD - 2001' logo. The center text reads 'L. D. College of Engineering' in blue, followed by 'KAIZEN 2022' in large red letters with a white outline. Below this is 'COMPUTER ENGINEERING DEPARTMENT' in blue. The main title is '7th Annual Technical Open House'. Two side boxes highlight achievements: 'More than 800 Projects & Internship work' on the left and 'More than 50 Gujarat Best SSIP Projects' on the right. The background is decorated with various engineering icons like gears, a truck, and chemical flasks.

L. D. College of Engineering

KAIZEN 2022

COMPUTER ENGINEERING DEPARTMENT

7th Annual Technical Open House

More than 800 Projects & Internship work

More than 50 Gujarat Best SSIP Projects

1. Brief Description of the Event:

What is the event?

KAIZEN 2022 is organized in computer engineering department as Project Internship work showcase on 21st April, 2022. On that day, we set exhibition & evaluation of final year students' project internship work as open house event.

Whose and how many projects were displayed?

There are 143 students of final year of computer engineering department participated this event. Out of 144, 122 students did internship, 4 students did UDP projects and 18 students did UDP projects. So 2 IDP projects and 8 UDP projects were displayed.

Who were the judges?

1. Mr Jay Vora : Certified Odoo consultant. ERP enthusiast, Investor, MD, Serpents CS, Ahmedabad
2. Mr Bhavin Solanki: Co-Founder at IQ Infinite Technologies,Ahmedabad
3. Mr. Sandip Rudani : Co-Founder at PaperBit and NikSanTech Ahmedabad
4. Mr Deep Patel :Co-founder & COO at Zybra - a fast & simple business app for SMBs, Ahmedabad

Schedule:

Time	Event
10.30am to 2.00pm on 21/04/2022	Track A, B, C, D. : Project /Internship Evaluation
1.00pm to 4.00pm om 21/04/2022	Track E F, G, H, I, J, K Project /Internship Evaluation

2. List of Projects

Expert with tracks

Sr No	Track	ExpertName	Track Coordinator	Remarks
1	A	Mr Jay Vora	Prof PinalSalot	From 10.30am to 2.00pm
2	B	Mr Bhavin Solanki	Prof Jay Dave	
3	C	Mr Deep Patel	Prof H D Rajpoot	
4	D	Mr. Sandip Rudani	Prof Path Dave	
5	E	Mr Jay Vora	Prof Dhara Buch	From 1.00pm to 4.30pm
6	F	Mr Bhavin Solanki	Prof Maitrik shah	
7	G	Mr Deep Patel	Prof Kalpesh Patel	
8	H	Mr. Sandip Rudani	Prof Hetal Pandya	
9	I	Mr Jay Vora	Prof Hetal Gevariya	
10	J	Mr Bhavin Solanki	Prof Sunil Patel	
11	K	Mr Deep Patel	Prof Yogesh Patel

Schedule of the session:

Event	Timing
-------	--------

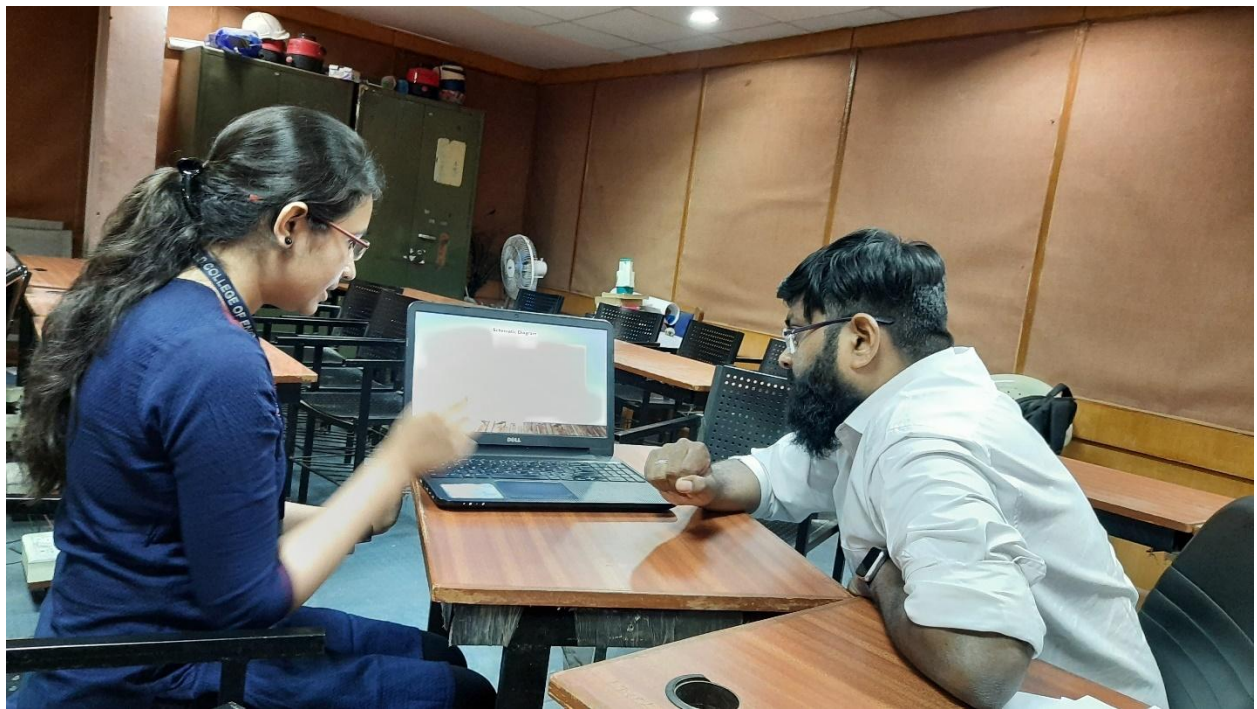

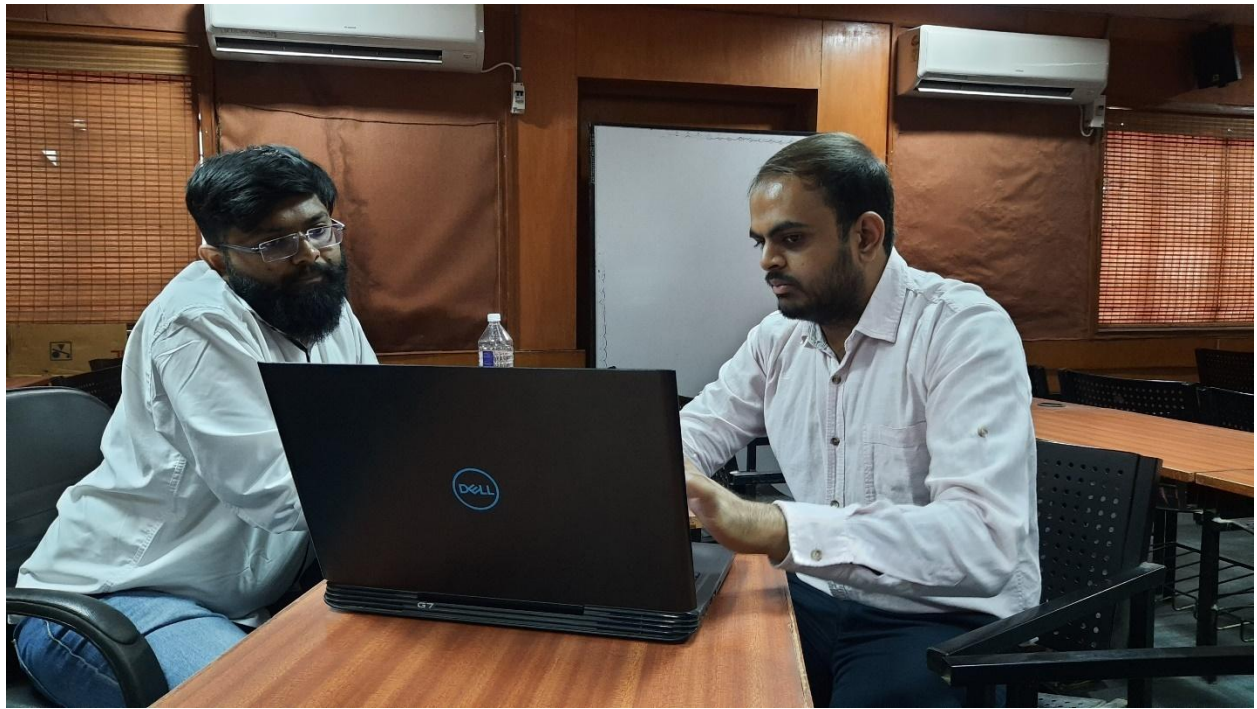

Inaugural	10.30am 21 st April 2022
Discussion	20 mins 21 st April 2022
Announcement of results	5.00pm 21 st April 2022
Valedictory	5.30pm 21 st April 2022

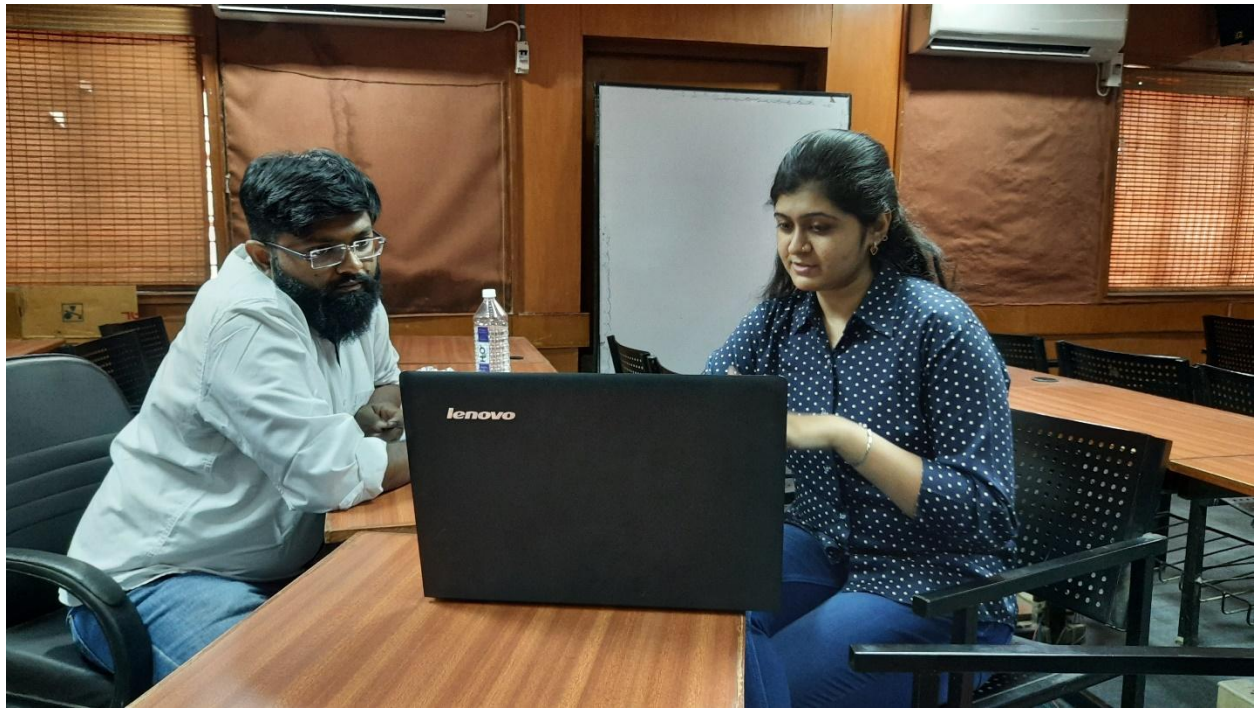

3. Photos of the event

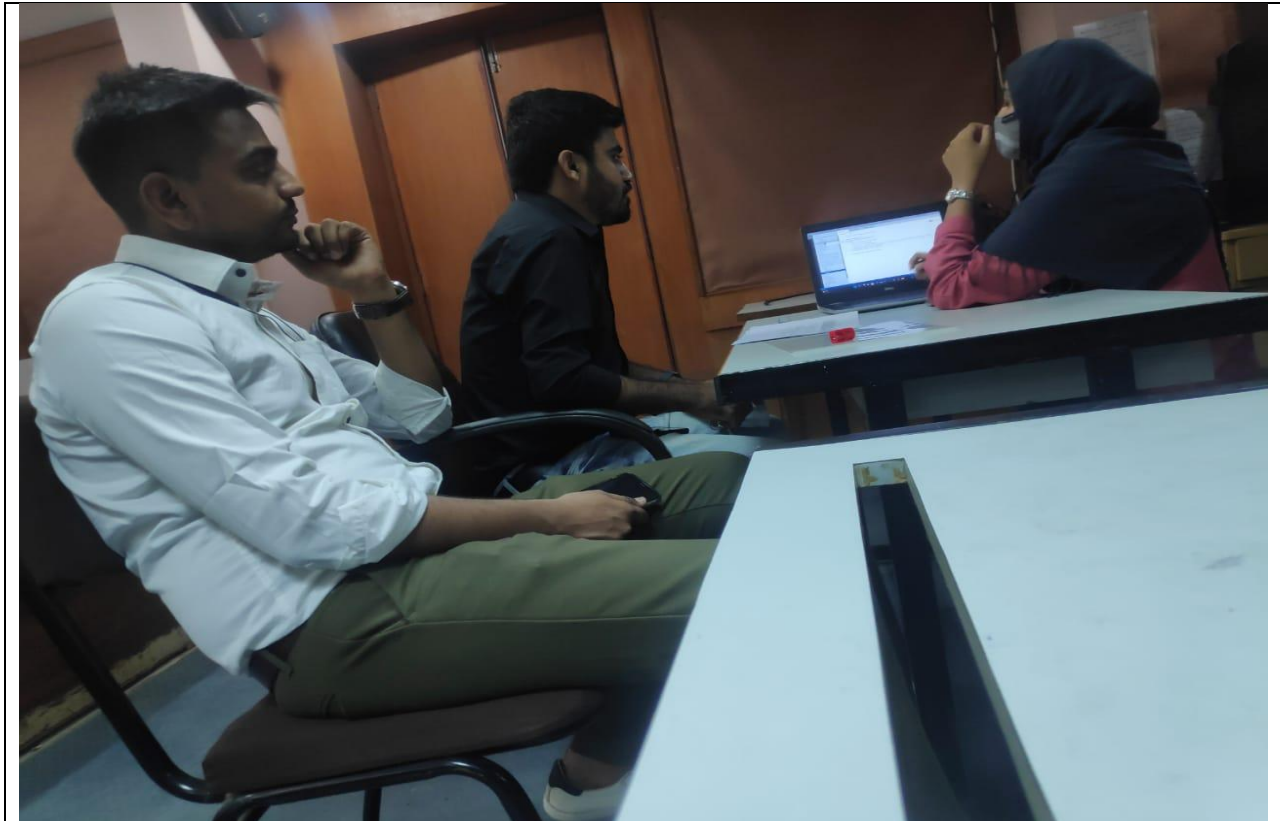

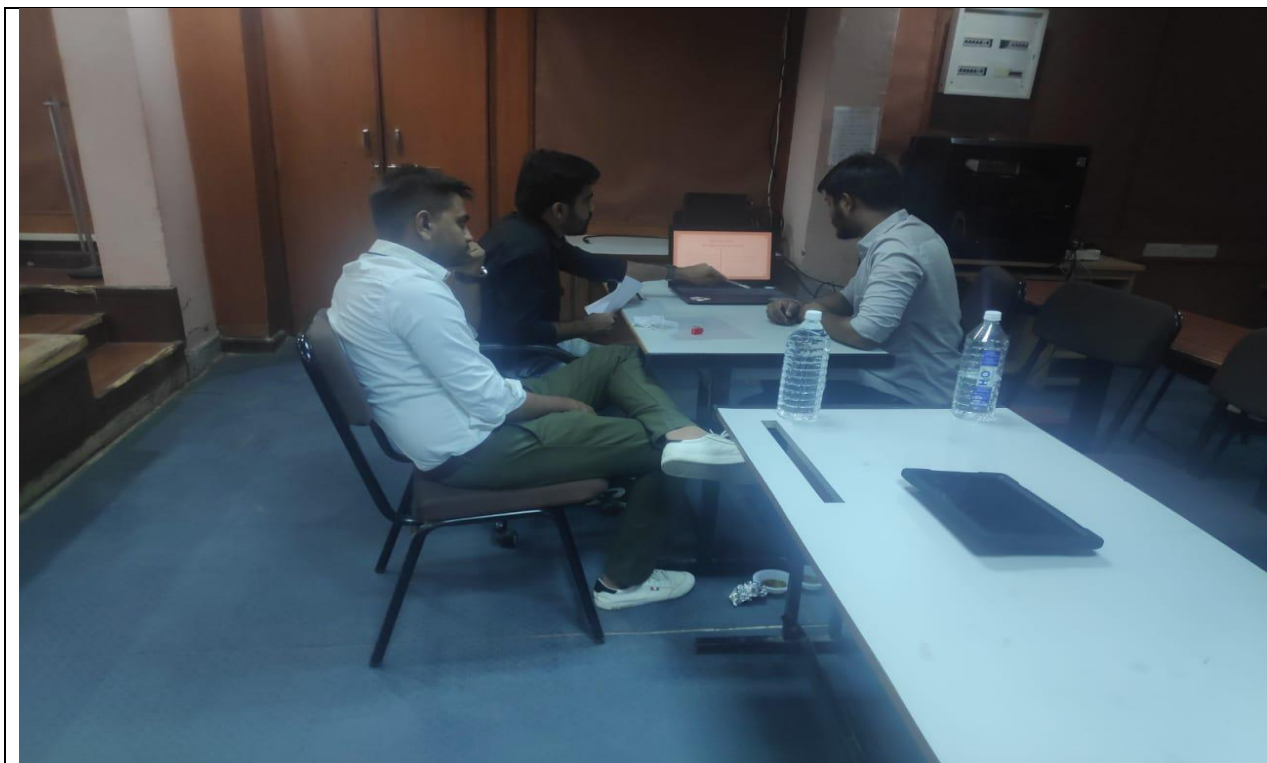

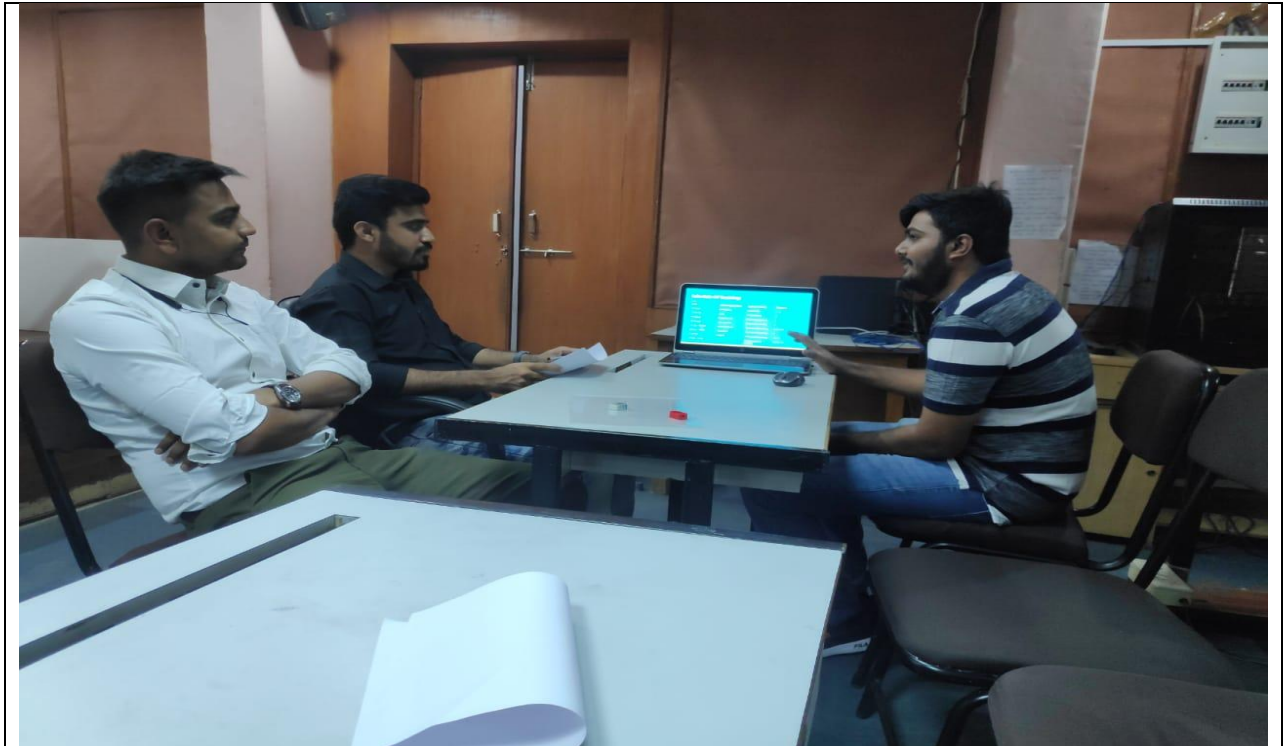

4. Brief Detail of Top-3 innovative projects having good industry/societal impact

L.D. COLLEGE OF ENGINEERING, AHMEDABAD-15					
KAIZEN - 2022 (Details of Winner Students)					
Computer Engineering Department					
No.	Name of Students	Enrolment no	Project/Internship Title	Name of Faculty mentor /Guide	Rank
1	Soni Nishant Chandreshkumar	180280107120	Internship :Backend(NodeJS) Developer at SaturnCube Technologies	Prof Pragnesh Patel	1st
2	MitrangKantilal Lad	190283107010	Internship : Blockchain Technology at smartSense Consulting Solutions Pvt. Ltd as Jr. Software Developer	Prof Rajyalakshmi Jaiswal	2nd
3	RANPARA DARSHAK MUKESHBHAI	180280107091	Internship : Python Development at ESMSYS Pvt. Ltd at Python Developer	Prof Amita V shah	3rd

Best Project/Internship Details :

1. Soni Nishant Chandreshkumar

Industry Internship at SaturnCube Technologies in Backend Development

Abstract: To learn about the technologies being used in the industry. Get an exposure to work on live projects and be a part of the team to build solutions for the startups and companies. Enhance communication skills and team management. Learn about development lifecycle of a project. Create Backend logics and APIs for a multivendor platform - MEGABOX, to buy/sell new or used Products, Real-estate Properties, Automobile items, Electronics & Vehicles etc.

4. Guided By:

Internal Guide: Prof. Pragnesh Patel

2. MitrangKantilal Lad.

Internship at smartSense Solutions in Blockchain Technology

Abstract: This presentation is about my Internship/Training at "smartSense Consulting Solutions Pvt. Ltd" in Blockchain technology. I was very intrigued and wanted to go into the same field and thankfully got placed at smartSense. I have got to learn many things regarding Blockchain technology during the last few months which include blockchain,

Ethereum, Solidity, Javascript, Web3, etc. Using Blockchain tech, we can build decentralized applications, cryptocurrencies, NFTs, decentralized exchanges, DAOs (decentralized autonomous organizations), supply chain solutions, Trustless platforms, and many more things which are essentially a part of Web3. These are only a few examples mentioned above but the real-world use cases and problems we can solve using blockchain tech are endless. This presentation outlines my learning aspect, its outcomes, and a few implementations of it.

Team Members (1): Mitrang Lad

Internal Guide: Prof. Rajalakshmi Jaiswal

External Guide: Mr. Pinank Lakhani

3. RANPARA DARSHAK MUKESHBHAI

Python Developer

Abstract : Automations for the repeating tasks in large scale often scale the potentials of anyone as challenge. To reduce this redundant tasks and enlarge the efficiency of industry automations are used worldwide in the industry. I've grabbed this opportunity as python developer cause python is an interpreted, object-oriented, high-level programming language with dynamic semantics. Its high-level built in data structures, combined with dynamic binding, make it very attractive for Rapid Application Development, as well as for use as a scripting to connect existing components together. It's simple, easy to learn syntax emphasizes readability and therefore reduces the cost of program maintenance. Python supports modules and packages, which encourages program modularity and code reuse. The Python interpreter and the extensive standard library are available in source or binary form without charge for all major platforms, and can be freely distributed.

Team members : self only (DarshakRanpara)

Guided by : Prof. Amita V Shah (Internal Guide by college)

Ms. Rushangi Patel (Industry Team Leader)

5. Feedback

Feedback from the experts

- *That was great experience to interact final year students. Lots of new things and ideas were shared amongst students. This event established freshness & culture among fresh engineers. – Mr Jay Vora: Certified Odoo consultant. ERP enthusiast, Investor, MD, Serpents CS, Ahmedabad*

- *It was my pleasure to be invited as judge for this event. Student's industry readiness is adorable. Most of the students have been placed in companies, so this kind of program is necessary for them to take a new start for life in industry. - Mr Bhavin Solanki*
- *I am very much thankful to computer engineering department for inviting as judge in this event, so I can interact with students and share the ideas. Youth always energizes me, this experience was refreshment for me. Thanks Again – Mr Deep Patel : Co-founder & COO at Zybra - a fast & simple business app for SMBs, Ahmedabad*
- *Program was well organized. Experts were really good. Our students received valuable feedback and may be helpful for their career in corporate world. – Mr. Sandip Rudani : Co-Founder at PaperBit and NikSanTech Ahmedabad*

Feedback from the faculty members

In this reference there are few points which makes KAIZEN 2022 a gala event:

- *Though it wasn't totally organized at central level, it's was well coordinated at department level. – Prof H. B. Pandya*
- *Students got many valuable feedback from industry experts. These feedback's can definitely be useful in their future career. Small get together at department level helps to develop a friendly environment for Students n faculty. – Prof H. A Joshiyara*
- *We enjoyed very much with the students and really it was fun. – Prof H K. Gevariya*
- *After a long time, the Computer Engineering Department sounds vibrant. Kaizen-2022 at Department level has been well executed from start to end with equal cooperation of faculty and staff members. – Prof Parth Dave*
- *Though students got valuable input and appreciation from industry experts, not every student was that fortunate. Parallel evaluation may incur unpleasant feelings for students. We may rethink about the best possible alternatives in the future. – Prof H. A Joshiyara*
- *May we call some research experts from eminent institutes to examine ME students' projects? Either online or offline. – Prof Jay Dave*

Feedback from the students

*- It was memorable experience to be part of this event. Collected lifetime memory. -
JadawalaJeel Nilesh*

*- The event was very good where we got to present our work in front of our faculties.
During the presentation also the interaction with faculty members was also very
fruitful as we got to know more things about the industry and our field of work also
and where we need to improve more. Thank You. - MitrangKantilal Lad*

*- I would like to say that my personal experience of our final semester Event "KAIZEN"
was very good and full of surprises. It was the last college event for us probably
because we missed a lot due to covid. - PATEL AELISKUMAR SATISHBHAI*

*-I have really such a nice experience at kaizen, especially where I had represented my
work towards the industry experts. They're very helpful by nature. When I've presented
my work, he had easily recognized my work with the industry requirements as well as
he shared his personal experience related to my work and also gave me his personal
feedback to improve my work that could be more impactful as per the requirements. I
was completely satisfied with him and I was happy to get the further guidance
regarding my career to make my journey more valuable. I'd like to thank the
computer department to arrange this level of management as well as I'm so thankful
to the internal guide Prof. Amita Ma'am who supported me a lot, helped me to prepare
myself to present my work with more impactful way. - DarshakRanpara*
