Ahmedabad

Moderator

Dr. K.A.Bhatt, Assistant Professor, EED, L.D.C.E.

Preamble

Electrical Engineering Department, L D College of Engineering, Ahmedabad organized an expert talk on “Climate change & Sustainable Energy” and Inauguration of IEI Students’ Chapter, EED,LDCE. This event was held on January 29th 2022. Students of under graduate and faculty members have participated actively in this webinar.

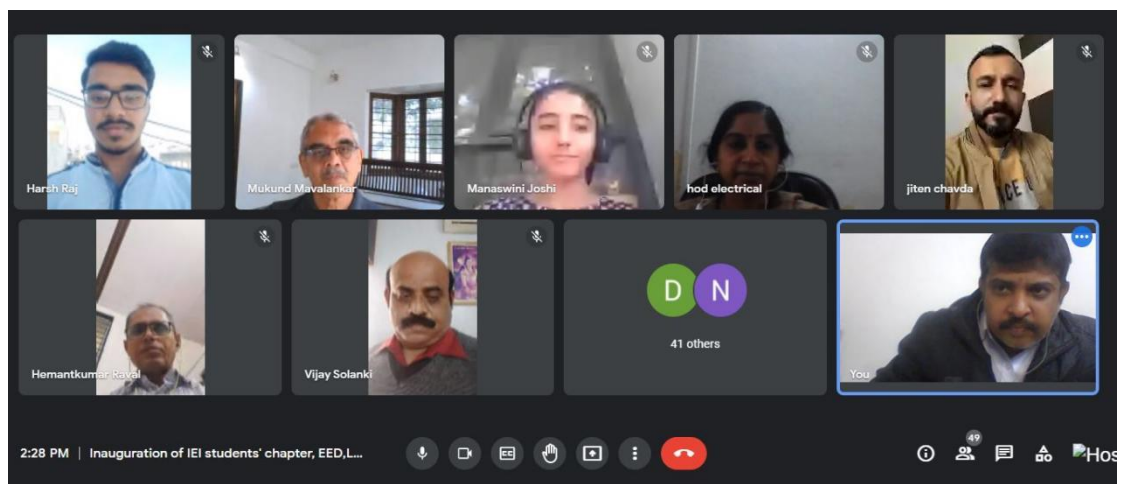

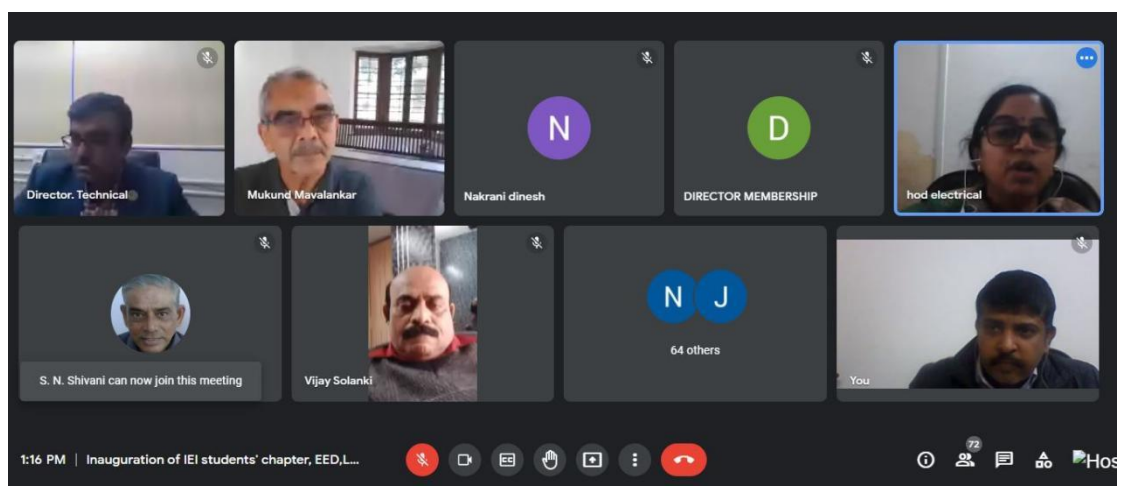

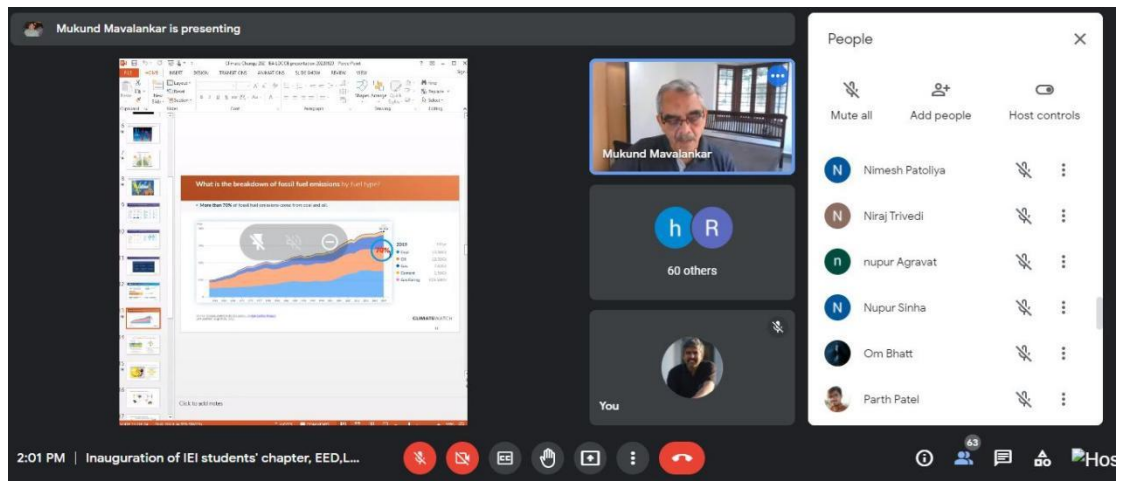

At starting, Welcome Address was given by Er. D.O.Nakrani, Hon.secretary, IEI, GSC, Ahmedabad. Thereafter, Objective and background of webinar on theme “Climate Change & Sustainable Energy” was delivered by By Prof. (Dr.) J.R.Iyer, Professor and Head of Department, EED, LDCE.

Later on Inauguration function of IEI students’chapter was carried out and motive of IEI students chapter had been explained by Guest of Honor Prof. (Dr.) D.J.Shah, Director, Technical Courses, Sankalchand Patel University & Principal, Sankalchand Patel College of Engineering, Visnagar. Thereafter, different aspects and benefits of IEI students chapter were discussed by Dr. S. M. Ali, Director (Membership), IEI, Kolkata

After that Er. Mukund Mavalankar had conducted his expert session on said topic. He insisted on utilization of renewable energy sources instead of conventional (coal based) energy sources. Further, he promoted the profuse utilization of solar power at domestic and industrial levels.

At last, Sh. Vijaybhai Solanki Deputy Director, WMF, IEI, Ahmedabad, had appreciated all the guests, speakers and students and faculty members to attend this event. Vote of thanks was given by Sh. D.O.Nakrani bhai from IEI chapter, Gujarat state, and Sh. Manaswini Joshi, student coordinator, IEI students’chapter, EED, LDCE.
