The alumni also interacted with the current students of BE 3rd semester and encouraged them with their knowledge and experience. Overall, all the alumni found the event entertaining and promised to assist the department as per the requirements. They also gave their word to help students in terms of research facilities, placements and internships. The department faculties and staff also felt privileged to witness and interact with many distinguished alumni. The 3-day event ended with an exit meeting where the alumni pledged to stay in touch with the department in the years to come.
