

Expert talk on
“Effective use of
brain for the better
performance in
Exam”

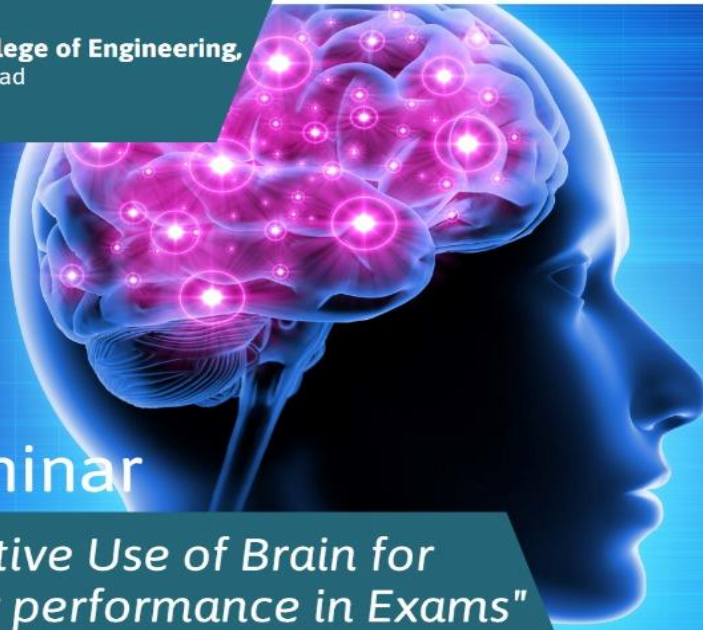

On 21.01.2023

Venue: Chanakya Hall , Electrical
Department

In this brief talk, the audience comprised children from standard 5 upto college undergraduates, along with parents and faculty members from various departments at LDCE, Ahmedabad. Dr. Ketan Badgujar shared and discussed different methods for effective use of brain, various memory techniques, and right attributes of parenting. The talk was enthusiastically received and attended by a wide ranging audience in terms of age as well as level education.
