ABOUT

L. D. College of Engineering (LDCE), Ahmedabad is a premier government engineering institute in Gujarat State set with the objectives of imparting higher education, research and training in various fields of engineering & technology. The institute is affiliated with Gujarat Technological University, Ahmedabad and administrated by the Department of Technical Education, Government of Gujarat.

It is situated adjacent to Gujarat University campus and is located at the nucleus of various national level institutes such as PRL, ATIRA, IIM etc. L.D.C.E. offers 16 Undergraduate and 20 Postgraduate courses.

Rubber Technology department is a unique branch creating eminent engineers and developing futuristic professionals for global world of Rubber through continuous efforts and involvement. Bachelor of Engineering in Rubber Technology is started in the year 1983 by L.D.C.E., as one of the first B.E. course in Rubber Technology at western India. As well as Master in Rubber Technology started in the year 2011. Rubber Technology branch is accredited with National Board of Accreditation (NBA) for 2023-24 to 2025-26. This course is only one of its kinds in Western India and is vibrating symbol of Institute - Industry Cooperation promoting purposeful technical education in the field of Rubber. The course is good blend of theory and practical including Internship and Training in Industry.

H.R. MEET

We are excited to extend our warmest invitation to you and your esteemed organization to participate in this HR Meet, organized by Rubber Technology Department, L. D. College of Engineering.

This HR Meet aims to provide a platform for meaningful interaction and collaboration between industry professionals and our students pursuing careers related fields. We believe that this event will foster the exchange of knowledge, insights, and experiences beneficial to both academia and industry.

Agenda Highlights:

- Interaction between Industry, Institute and students
- Pedagogy Discussions on Current HR Trends and Challenges
- Q & A Sessions

We would be honored to have you as a distinguished guest for this H.R Meet. Your valuable insights and expertise would greatly enrich the discussions and inspire our students to excel in their chosen careers.

You are cordially invited to Rubber Technology Department on 16th September 2023 at 3:00 PM. If you have any specific topics or areas of expertise you would like to share during the event, we are open to discuss.
