

A Brief Report on Modernization of Chemical Engineering Classrooms under Alumni-Institute Initiative by the LDCE Chemical 1998 batch

The class of 1998 provided the chemical engineering department of L. D. College of Engineering, Ahmedabad a smart-board for the development of smart classroom in order to modernize the classrooms of chemical engineering department. The smart classroom will benefit the students of chemical department by enabling them to grasp the concepts disseminated by the faculties in a more efficient manner. The smart interactive board will help the faculty to explain various concepts like flowsheets, diagrams, designs, enable writing or typing on screen, calling attention to certain topics with highlights, circles, arrows or zooming in, and sharing multimedia content such as videos, webpages, presentations and images. The department genuinely appreciates the generous and benevolent gesture from the LDCE Chemical 1998 batch who has contributed for the Interactive Panel (smart-board) namely:

1. Pratik Shah
2. Ripal Gandhi
3. Mahesh Likhia
4. Japan Patel
5. Chintan Shyani
6. Snehal Shah
7. Chirag Patel
8. Kartikeya Shah
9. Sagar Sharma
10. Pranam Joshi
11. Manish Patel

12. Darshan Desai
13. Premal Vakil
14. Chirag Shah
15. Manoj Jain

The department especially thanks Shri Manoj Jain for liaising with the department and taking the grand initiative. The kindness shown by the esteemed alumnis will definitely strengthen the alumni-institute interaction and also take up various collaborative initiatives in future.

Dr. R.H. Rana.
Head of the Department,
Department of Chemical Engineering.

A thanks giving event was organized to applaud and appreciate the generous effort by class of 1998. The event was graced by Shri Manoj Jain, Managing Director, Excel Enviro Tech Pvt. Ltd., Ahmedabad on behalf of the LDCE Chemical 1998 batch. The event was presided by the Dr. C. S. Sanghvi, Principal, L. D. College of Engineering, Ahmedabad, Dr. P. H. Rana, HoD, Chemical department, faculty members of Chemical engineering department in presence of the students of chemical department. Shri Manoj Jain addressed the students and encouraged them to also take similar initiative in future after becoming alumni. The principal highlighted the benefits of the smart classroom in effective teaching. Dr. P. H. Rana thanked the class of 1998 for their kind gesture towards the department and the student community. The smart-board was displayed and demonstrated to all.

Address by the Principal.

Address by Shri Manoj Jain.

Thanksgiving by Dr. P. H. Rana.
