

Bosch Artisan Training Center at Electrical Dept., LDCE

Bosch Rexroth along with Bosch India Foundation had shown an interest to establish an Artisan Training Center (ATC) at L D College of Engineering as a part of their CSR activity. As part of the same, an MOU was signed between Bosch India Foundation (BIF) and L.D. College of Engineering, Ahmedabad in the Vibrant Gujarat Global Summi-2024 at Mahatma mandir, Gandhinagar.

The aim of this center is to make a meaningful and positive impact in society, especially for the underserved. The focus is to promote social development through need-based vocational training.

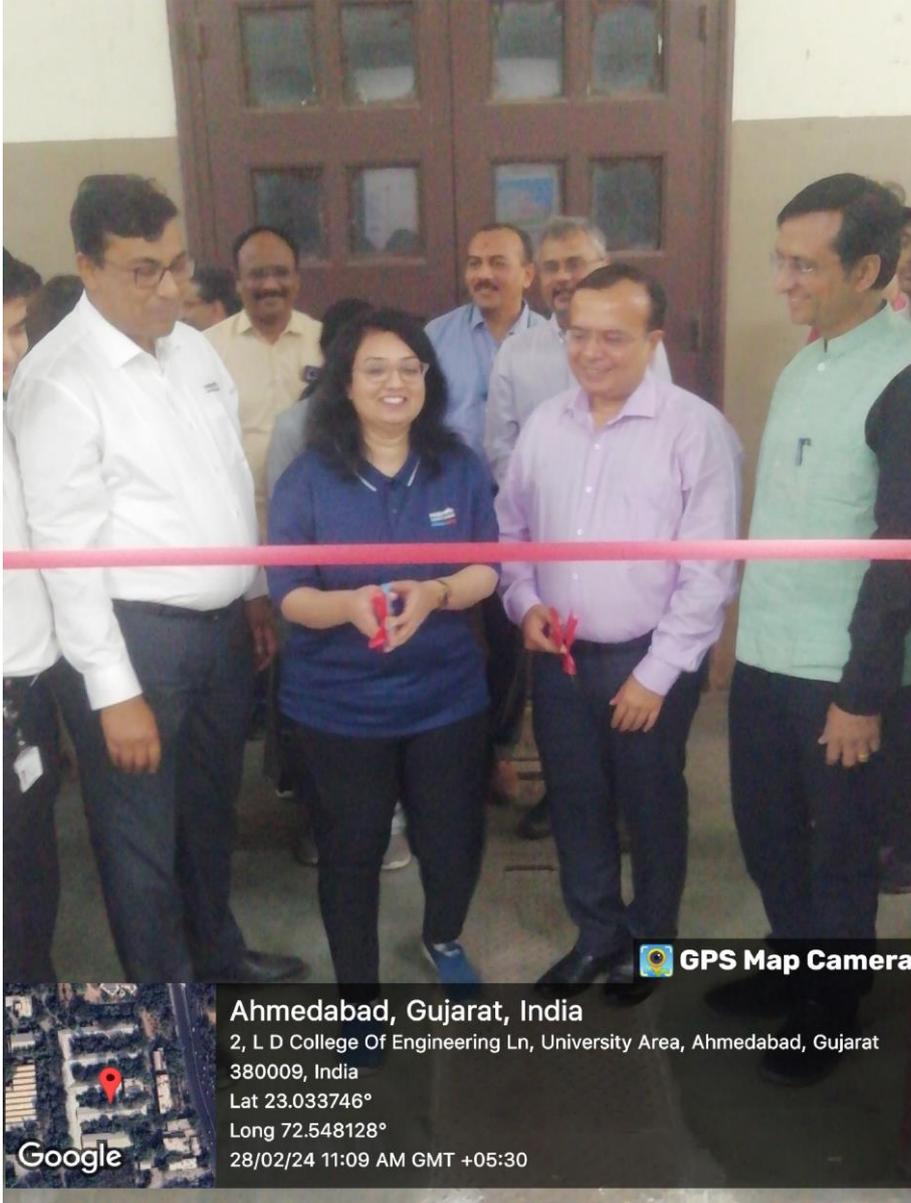

The Artisan training Center was inaugurated on 28th Feb., 2024. The inaugural event was graced by Dr. N.N. Bhuptani, Principal L.D. College of Engg., Heads of other departments, faculty and students of Electrical Dept along with distinguished guests from Bosch Rexroth and BIF. Mr. Sujoy Pal, Engineering & Application Head, Bosch Rexroth India, Mr. Darshil Mistry, Quality Head, Bosch Rexroth India, Ms. Priyanka Thaker, Inside Sales Head, Bosch Rexroth India and Ms. Tejaswini Pawaskar, BIF graced the inauguration event. The ATC is funded by Bosch Rexroth India and the work is implemented by Bosch India Foundation (BIF)

The ATC has been set up with necessary hardware and training material/equipment that includes workbenches, hand tools, power tools, activity tables, classroom furniture, safety equipment, course contents with course modules, training manuals with pedagogy, and display material.

The ATC will offer long term course, workshops, and training sessions in Electrical Electronics trade that equip youths with essential life skills, vocational skills, technical skills, and soft skills required to succeed in today's competitive world

LDCE has more than 1200 students in first year. It shall train these students as a part of curriculum in laboratory hours in the subjects such as basics of Electrical engineering, Electrical Workshop etc. After implementing training to their own students, if the time slot permits, it shall cater the training to nearby degree, diploma institutes. The training shall be imparted for a gainful employment or becoming an entrepreneur for a sustained livelihood.

Commented [BS(B1)]: What does this mean? Brig Trainers or Trainees? Is the ATC open to other institutes outside LDCE?

Commented [PTR(B2R1)]: Trainers as well as trainees

Commented [PTR(B3R1)]: Yes training center would give opportunity to other nearby institutes to learn in ATC as they will not have such facility
