

Honorees Excellence in Education award 2023
International Society of Automation (ISA), USA

Honorees Excellence in Education award 2023 International Society of Automation (ISA), USA

The International Society of Automation (ISA) is a non-profit professional association founded in 1945 to create a better world through automation. ISA's mission is to empower the global automation community through standards and knowledge sharing. ISA develops widely used global standards and conformity assessment programs; certifies professionals; provides education and training; publishes books and technical articles; hosts conferences and exhibits; and provides networking and career development programs for its members and customers around the world.

International award Honourees Excellence in Education award 2023 from the International Society of Automation (ISA) presented to Dr. Manish Thakker, Professor and Head of IC Engineering Department, LD College of Engineering

Professor Thakker said that Receiving two awards one International award from USA and another from ISA Gujarat Section for Excellence in Education is not just a personal achievement but collaborative efforts of many.

I am indebted to my professors, students, present and former colleagues, and friends for their wholehearted contributions that have strengthened my academic journey

We wish all the best to him for his future academic excellence endeavours.

Team IC Engineering Department
