Expert talk - Report

The Computer Engineering Department at L.D. College of Engineering organized an enlightening talk titled "Exploring Opportunities: IISc Bangalore" on March 11, 2024. Held from 4.15 PM to 5:15 PM at the Upanishad Hall of the CE Department, the session was led by Dhruvin Chaudhary, an esteemed alumnus of LDCE, currently pursuing MTech research at IISc after achieving AIR-135 in GATE 2023.

During the talk, Dhruvin delved into the vast array of opportunities within the Electrical, Electronics, and Computer Science (EECS) division at IISc. He provided valuable insights into the unique programs, departments, and courses, showcasing IISc as a leading hub of innovation and research.

This event provided an exceptional platform for students to interact, pose questions, and gain a comprehensive understanding of the diverse possibilities available for pursuing MTech or PhD studies at IISc. It was a remarkable opportunity for aspiring students to explore their academic and research interests in a renowned institution like IISc.

Event Summary:

Type of event:	Expert Talk
Title of the talk:	*Exploring Opportunities: IISc Bangalore*
Name of Expert (s):	Mr Dhruvin Chaudhary
Date and Time:	11.03.2024, during 4.15PM – 5.15PM
Venue:	Upanishad Hall, CE department
Organized by:	Computer Engineering department
Faculty coordinators:	Prof. Maitrik Shah
Objective:	The objective of the talk was to make aware students about the vast array of opportunities within the Electrical, Electronics, and Computer Science (EECS) division at IISc and providing valuable insights into the unique programs, departments, and courses, showcasing IISc as a leading hub of innovation and research.
Outcome:	This talk provided an exceptional platform for students to interact, pose questions, and gain a comprehensive understanding of the diverse possibilities available for pursuing MTech or PhD studies at IISc. It was a remarkable opportunity for aspiring students to explore their academic and research interests in a renowned institution like IISc.
Number of Students attended:	50 students of semester 4th and 6th
