

## **Visit to SEMICON INDIA 2024 Exhibition**

The Ministry of Electronics and Information technology, Government of India organized an event named “SEMICON INDIA 2024” at India Exposition Centre & Mart, Greater Noida, India with an aim to showcase India as the global hub for Semiconductor Design, Manufacturing and Technology Development. The exhibition was inaugurated by Hon’ble Prime Minister. The exhibition provided a great learning opportunity for students as well as faculty members of various engineering disciplines to learn about the cutting edge technologies and innovations that are shaping the semiconductor industry and driving its progress. It also provided an opportunity for industry exposure, networking, collaboration and other avenues for continuous learning.

8 students from B.E. Sem-7 from Chemical Engineering Department along with 1 faculty Dr Anjali Bishnoi visited the exhibition during 11-13 September 2024.
