

Expert Lecture on Implementation of Green Chemistry for pollution control

Dr. Kinjal J Shah, (Nanjing Tech University-China), has delivered an offline lecture on “**Implementation of Green Chemistry for pollution control**” on 05th February 2025. Around 60 students of the 4th and 6th semester were present in the lecture. Overall coordination was done by Dr Anjali Bishnoi and Prof Nikita Ambegaonkar.

During the talk, Dr Shah discussed about recent advancements on bio surfactants and super hydrophobicity. Green chemistry was well explained by him. Applications of green chemistry were elaborated in detail with the help of research papers. Importance of pollution control with Green chemistry was also discussed. The session was very interactive and informative. Students raised their queries and all were satisfied by the speaker.
