

## INDUSTRIAL VISIT

**B.E. Semester III & V, Chemical**

**Name of Industry: M/s Sweety Industries, Nadiad (manf. of Parle biscuits).  
43/45, GIDC Estate, Subhash Nagar, Nadiad, Gujarat  
387001.**

**Date: 4th September 2017**

An industrial visit was organized for second and third year students at M/s Sweety Industries, Nadiad who are contract manufacturers of Parle biscuits. The plant is located at Nadiad. The plant manufacturers various type of biscuits which are well known brands like Parle glucose biscuit, Parle cream biscuits, Parle Bourbon etc. The student got exposure in various unit operation like mixing, dough preparation, controlled heating and cooling, packaging line etc. The student also got an overview about how the intellectual property rights are maintained in this type of industry. Overall, the production unit benefited the students providing them practical exposure in a biscuit manufacturing food industry. Prof. S. M. Dutta, Prof. R. R. Patel & Prof. V. V. Gojiya coordinated the visit.
