Alumni Meet Report (Chemical Engg. Dept.)

Chemical Engineering Department planned Alumni Meet for the pass out of last two year batches on 23/10/2019 at 5 pm. There was very good response from the alumni for this type of meet planned by department. Eight alumni could remain present. Many alumni could not join because they are working outside Ahmedabad and not possible to join on working days.

We have received very good response and experience sharing from the present alumni. Dr. Sachin Parikh, Head of Chemical Engineering Department gave the welcome speech. He explained to them the importance of this type of meet. Sir also explained about the SSIP project and how they can join hands with our department in future for this type of work.

Mohit Agrawal (Presently working at Cairn) shared his views that any time he will be called, he is ready to help the department. He expressed his thanks to the department for providing good platform to him and shared his views.

Nishant Patel (Presently preparing for GATE) shared his views and very happy to come to the department.

Kevin Vegad (Presently working with Saukem) shared his views and was very happy and expressed his thank to the department. He has shown his willingness to come to the department any time as per his convenience.

Milin Prajapati (Presently studying in PG) expressed his views. He appreciated the department very much and thank everybody for giving support during his graduation.

Prof Satish Shah gave vote of thanks and invited everybody to join in future for various activity planned by the department. He invited everybody to join for ice-cream.
