

## **Concept of Group Discussion and Personal Interview**

An expert talk was arranged for 6<sup>th</sup> semester students on “Concept of Group Discussion and Personal Interview” by Mr. Mayank Trivedi on 06/02/2020. He is a part of the Career guidance GATE forum. It was a two way conversation with students. He discussed about important points to be consider during GD. He also explained about how to present your thoughts in group discussion and one can make one’s own impression in the GD.

He further discussed about the PI which are the factors to be focused on and how to be confident during PI. By this lecture our student can able to perform well in GD as well as can crack any interview in their future.
