

## Expert Lecture Report on

### *“Overview of Large Industry functional groups – Role of Chemical Engineers”*

**Date: 31st March 2021**

Department of chemical engineering had arranged an online expert talk on “Overview of Large Industry functional groups – Role of Chemical Engineers” on 31st March 2021 for 4th and 6th sem students. Around 120 participants were there in the session delivered by Mr Pradip Shah, Ex VP, RIL.

Mr Pradip Shah briefed about the functioning of the chemical plant. He explained very minute details of the same and exposed the students about the real functioning of industry. He explained the basic difference between small, medium and large scale industries and talked about each component of a large scale industry.

During his lecture, Mr Pradip had shed some light on the major roles of chemical engineers and talked about designing, troubleshooting, plant maintenance, plant operation, utilities in the plant etc. He also discussed the current scenario of chemical industries and variation into the role of chemical engineer with time.

The poster is a light blue rectangular graphic with a subtle grid pattern. It features two circular logos at the top: on the left, a black gear with a white flask inside, labeled 'DEPARTMENT OF CHEMICAL ENGINEERING' and 'LDCE'; on the right, a yellow circle with a blue border, labeled 'L.D. COLLEGE OF ENGINEERING' and 'AHMEDABAD'. The central text reads: 'Chemical Engineering Department', 'L. D. College of Engineering', 'Ahmedabad', 'Invites you for an Expert Lecture on', 'Overview of Large Industry functional groups – Role of Chemical Engineers'. Below this, the date and time are listed: 'Date: 31-03-2021', 'Day: Wednesday', 'Time: 11:00 A.M. to 12:00 P.M.'. A small portrait of a man in a yellow shirt is positioned to the right of the text. At the bottom left, it says 'Platform: MS Team' and 'Meeting Link: [Click Here to Join Meeting](#)'. At the bottom right, it identifies the speaker as 'Shri Pradip Shah', 'Ex. Vice President', 'Reliance Industries Ltd.'
