PARICHAYA

11/04/2022

LD college of Engineering

Date: 11/04/2022
Time: 3:00-6:00 PM
Place: Tagore Hall

PARICHAYA is a fun event in which first year students get interacted with their classmates, seniors and faculties of IC department. The event was organized by **"ISA student chapter LDCE"** on 11th April, 2022 at Tagore Hall, IC Department. The students attend this event to produce a relation and have greater communication with other students of their class. The motive behind organizing this event is to form a healthy environment between the students and to know more about their classmates.

The event was celebrated in our department with great enthusiasm. We were beside ourselves with joy. We welcomed our chief guest Dr. Manish Thakkar, HoD of IC Department, ISA core team, volunteers and first year students. This was our first offline event after COVID-19 pandemic. It was going to be a big fun thing after 2 years finally.

The event began at 3:15 pm. Firstly we introduced the significance of ISA through PPT. Anchor of the day was Mr. Gaurav Mishra, student of third year IC Engineering. The event includes 4 games which is

1. **Remember it**
2. **Counter Strike**
3. **Bottle Flip**
4. **B'day Bash**
