

Alumni Support to Girls Students of IC Engg.

"Heartfelt gratitude to our esteemed LDCE alumnus, Dr. Anant S. Trivedi, Founder Director of RTUL (Roop Ultrasonic Ltd), for his generous support to our IC Engineering girls students! Dr. Trivedi, from the first batch of B.E. (Instrumentation & Control Engineering), has kindly provided laptops to these talented students.

IC Engineering department appreciate S.S. Trivedi Foundation for kindness and commitment to empowering future generations. Best wishes to all the girls for their future academic endeavours!
