**ISA STUDENT SECTION &
INSTRUMENTATION AND CONTROL
ENGINEERING DEPARTMENT,
L.D. COLLEGE OF ENGINEERING, AHMEDABAD**

The ISA Gujarat Section and Instrumentation and Control Engineering department, L D College of Engineering organized a technical talk on Digitize 360, unveiling the future-decoding the what, how and why of digital transformation on 23rd February, 2024. The key aim of the event was to provide networking platform for experts from different fields and industries to come together and share their knowledge.

The event commenced with introductory speeches by Jagdish Shukla sir, the owner of Servilink Systems limited and an international board member of ISA, Dr. Manish Thakker Sir, Professor and Head of Instrumentation and control engineering department at L D College of Engineering and a senior member of ISA, and ISA president Manik Yerawar sir. It was followed by presentations from eminent speakers who represent various esteemed organizations.

Several reputed organizations like ONGC, P+F, General Mills, Mumbai, GSFC University, IPR, Tech Switchgears, Invictux, Pali Engitech, Lotus Instruments, Adani, Mott MacDonald, Kevin Technology, Suzuki Motors, Becon Security, Samyank Infotech, Mundar Petrochem, Futuristic Climate Control, Hitachi Hirel, Air Products, Neutron System, Saral Control and Micron had an active participation and representation in the event.

Mr. Utpal Bangoria, who is the assistant sales manager at Honeywell Security and Fire, delivered his presentation on Belden and Digital Transformation, covering the hardware aspects to digital transformation.

Mr. Chirag Patel, Business Unit Head in Automation and Industrial Products at Axis Solutions Pvt. Ltd, presented his insightful views on the digital transformation in the Oil and Gas Vertical.

Mr. Priyesh Mistry, General Manager at Schneider Electric, shared his experience with the

audience, on the Securing Operational Technology: Addressing Digital Risks in Business-Critical Infrastructures.

Mr. Mehul Bhaktani, Business Development Manager at Yokogawa India Ltd. shared his insights on the Manufacturing Transformation and IT-OT Convergence.

Mr. Sanjay Kulkarni, director of Business Development in Servilink systems limited, shared his views on the Upgradation of Manufacturing with Digital Transformation.

The event concluded with a panel discussion where all the speakers came together, sharing their opinions and also answering the queries of the audience, followed by a networking dinner.

Overall, the event was a resounding success with all the attendees gaining valuable insights into the transformative potential of the various emerging technologies and the role of digital transformation in the modern world. The session concluded on a positive note with all the attendees emphasizing on the organizing of more such events in the coming future as well to keep everyone updated on new technologies and developments and enhancing the collaborative spirit of our society.

The poster features a dark blue background with a network of white lines and nodes. At the top left is the logo of the Institution of Engineers (India) - Gujarat Section. The main title is 'Technical Talk on DIGITIZE 360 UNVEILING THE FUTURE - DECODING THE WHAT, HOW, AND WHY OF DIGITAL TRANSFORMATION'. Below this, it states 'I.C. ENGINEERING DEPARTMENT L. D. COLLEGE OF ENGINEERING'. The event is sponsored by Tech Connect Solution, Yokogawa, Axis, Life Is On, Schneider Electric, and Servilink Systems Limited. A sidebar on the left lists 'PANEL DISCUSSION', 'Q & A', and 'NETWORKING DINNER'. A sidebar on the right shows the date '23-02', time '6PM TO 8PM', and location 'WRM L.D. COLLEGE OF ENGINEERING'.
