

Expert Session on Control Valves!

Forbes Marshall had donated Two Industrial Control Valve under the CSR activity at IC department LDCE, IC Department is expressing his gratitude to Mr. Kiran Vora and entire Forbes Marshall team.

Mr. Siddharth Bhavsar, former employee of Forbes Marshall, deliver a session on "Control Valve and Its Industrial Application" on 19th September 2024.

Mr. Bhavsar shared his vast expertise and covered topics such as:

- Control Valve sizing and selection
- Characteristics of control valves
- Types of control valves
- Industrial applications

The session was highly interactive, and our faculty and students from the IC department, LDCE, gained valuable insights from his rich experience.
