NOTICE FOR STUDENTS (SEMESTER-3)
HONORS/MINOR DEGREE ADMISSION-2024

As per GTU notifications and approvals given to our institute by GTU, Institute is going to offer Honors/ Minor degree in four programs. **1) Artificial Intelligence and Machine Learning by Computer Engg. department 2) Robotics by Mechanical Engg. department 3) Electric Vehicle by Electrical Engg. department 4) Green Technology and Sustainability Engineering by Chemical Engg. Department and 5) Forensic Structural Engineering by Applied Mechanics department.**

Forensic structural Engineering program has student intake of 30. All other four programs has 60 student intake in each program.

Interested students of semester 3 have to fill the Google form for giving the choice of program they want to opt for getting Honors or Minor degree along with their B.E.
Students with backlog in first year cannot opt for this program.
For regular students selection will be on the basis of first year CPI.
For D to D student the selection is based on STPI (GTU) / Percentage (Other University).

With each minor course selected, student will have to study its different subject (one in each semester) from 4ᵗʰ to 7ᵗʰ semester and complete the credits.
After successful completion of UG with minor course, student will be eligible to get degree of B.E. (hons) of parent branch with specialization of course (if course is from his/her parent domain) OR the student will earn B.E of parent branch with minor degree of course (if course is from other domain branch).

Students have to give their program choice for honors/minor by filling Google form. Link/QR Code is given below.
Students are instructed to fill Google form one time only. If multiple Google forms are filled by the student,he/she will be disqualified from the whole admission process.
